For more than 80 years, Bob Jones University has existed as a vital community of Christian students and those who serve them.

Throughout those years, over 85,000 young people have benefited from the teaching and example of what we believe to be the most wonderful faculty and staff anywhere.

Accredited by the Transnational Association of Christian Colleges and Schools, Bob Jones University is well known for its strong spiritual training and robust academic programs. Our graduates serve the Lord across all vocations.

They are Christian workers, tradesmen, lawyers, doctors, educators and business executives. They are recognized as having what it takes to excel in a turbulent world. They are in demand for their vocational skills, their spiritual steadfastness and their personal character. They are prepared for whatever circumstances they may meet in life—whether those circumstances are prosperity or adversity, peace or war.

The purpose of BJU’s founder, Dr. Bob Jones Sr., was “to make this
university a center of the highest academic standards and Christian culture to which carefully chosen young people will come from all parts of the world and receive their training and from which these trained Christian leaders will go forth to render service to our Lord in all corners of the globe.” It is our belief that today’s Christian young person has no better opportunity to learn how to make a living, and—more importantly—to learn how to live, than in this special place which God has prepared and maintained.

Through a strong liberal arts education, the University prepares each student to be a competent, Christlike example in whatever life context the Lord places him. With our revised Bible and Christian Liberal Arts Core, we’ve modified the required Bible classes to also include courses like Hermeneutics, Doctrines and Apologetics, with the goal of even better educating students to understand, explain and defend the essential doctrines of the Christian faith. Similarly, our liberal arts requirements—English, history, communication, science, math and philosophy—reflect our emphasis that students understand the essential elements of human experience and apply vital communication skills in reading, writing, listening and speaking. Still offering flexibility by allowing students to choose from a variety of electives in addition to courses in their major, we desire that each student assimilate all of life into a biblical worldview.

Bob Jones University has a spirit all its own, combining an atmosphere of culture without cold formality, of youthful enthusiasm without rowdiness and of scholarship without mustiness. Every faculty member in the University signs our orthodox creed each year. We have proved in this institution that it is possible in the present day to be thorough in scholastic work and still hold to the faith of our fathers.

Religiously, our testimony is: “Whatever the Bible says is true.” Standing firmly and aggressively contending for the great foundations of the Christian faith, Bob Jones University is proud to be known as fundamental in its position. We oppose all atheistic, agnostic and humanistic attacks upon the Scripture.

Every class opens with prayer, and our social gatherings blend easily and naturally into times of prayer and challenges from the Bible. We believe in a social life that is above reproach. In all our work and play, in personal life and social relations, we seek to be loyal to the Lord Jesus Christ.

Displayed upon the Bob Jones University crest are the words Petimus Credimus, “we seek, we trust.” We seek to inculcate into our students a thirst for knowledge of the arts and sciences, and we seek to satisfy that thirst. Above all, we trust the Bible as the inspired Word of God, the Lord Jesus Christ as the only hope of the world, and His Gospel as the solution to the problems of our day.

We invite you to visit us and find out for yourself why we believe Bob Jones University is God’s special place for you.

Stephen Jones
The general nature and object of the corporation shall be to conduct an institution of learning for the general education of youth in the essentials of culture and the arts and sciences, giving special emphasis to the Christian religion and the ethics revealed in the Holy Scriptures; combating all atheistic, agnostic, pagan and so-called scientific adulterations of the Gospel; unqualifiedly affirming and teaching the inspiration of the Bible (both the Old and the New Testaments); the creation of man by the direct act of God; the incarnation and virgin birth of our Lord and Saviour, Jesus Christ; His identification as the Son of God; His vicarious atonement for the sins of mankind by the shedding of His blood on the cross; the resurrection of His body from the tomb; His power to save men from sin; the new birth through the regeneration by the Holy Spirit; and the gift of eternal life by the grace of God.
As a Christian **liberal arts** higher education institution we:

- educate regenerate men and women of varying educational backgrounds and proficiencies from across the nation and around the world.

- educate the whole person through a biblically-integrated liberal arts curriculum.

- equip individuals with a biblical worldview and with the ability to defend that worldview.

- offer programs leading to undergraduate and graduate degrees in a range of disciplines in a residential environment supplemented by distance learning and professional development opportunities.

- foster spiritual, intellectual, social and physical development and cultural expansion of the individual.

- are committed to excellence in teaching by a godly, competent and professional faculty who are dedicated to furthering the University’s mission.

**Within the cultural and academic soil of liberal arts higher education, Bob Jones University exists to grow Christlike character that is scripturally disciplined, others-serving, God-loving, Christ-proclaiming and focused above.**

As a Christian higher education institution committed to helping Christian students grow in Christlikeness we:

- emphasize excellence and hold students accountable to pursue it for the purpose of developing character.

- teach individuals to apply the Scriptures to practical Christian living.

- seek to develop individuals who are committed to Jesus Christ as Lord, who are engaged in service and leadership in a biblically faithful local church, and who have a compelling concern for reaching the unconverted with the Gospel.

- are steadfastly committed to remaining faithful to the biblical doctrine and principles in our founding charter.

- develop a constituency of regenerated students who have adequate preparation to profit from a Christian college education.
The scales represent the proper balance of life and the fact that man weighed in God’s balances is always found wanting; the cross speaks of Christ and our redemption; the book is the Word of God; and the lamp is the light of Truth. The BJU motto, Petimus Credimus (“we seek, we trust”), underscores the University’s foundation and purpose. We seek to inculcate into our students a desire for knowledge of the arts and sciences, and we seek to satisfy that desire. We trust the Bible as the inspired Word of God, the Lord Jesus Christ as the only hope of the world and His Gospel as the solution to the problems of our day.
Christian education at BJU is a spiritual ministry that has as its purpose to further the process of spiritual development in the image of God. BJU endeavors to teach students to know God and to imitate Him in His character and in His works. This commitment embraces all that is done in and out of the classroom. Knowledge of the written Word of God, the Bible, remains at the center. The disciplinary studies radiate from this center as studies of God’s works. Biblical truth is not confined to the required Bible courses but is diffused throughout the curriculum.

Yet to know God implies more than just knowledge about God. The knowledge of God that is unique to Christian education is a personal knowledge that begins with repentance of sin and faith in Jesus Christ as Savior and develops through obedience to and communion with God. To know God is to be born into the family of God and to live in fellowship with Him. With this knowledge as the starting point, student attention is directed outward to the full range of natural facts and human experience and to formulations of that experience in history and philosophy, literature and art—all as reflective of the work of God intersecting with the work of man. The student develops a worldview coherent with the work of God in his life.

The work of God in a student’s life is a process of his imitating God in his character and service. Accordingly, BJU faculty and administration urge students onward in this process and provide an environment structured toward this purpose. As in secular education, the environment of Christian education is artificially selective, including elements favorable to its purpose and suppressing those unfavorable to it. BJU does not apologize for the prescriptiveness of the educational experience here. Its character goals require it.

BJU also provides students with ministry opportunities so it becomes natural to them to live out their beliefs in service to God and to others. Students are requested to have weekend ministries of various sorts both in the immediate area and in surrounding states as well. The University keeps before all its students their responsibility to share the Gospel and minister to others.
Bob Jones University is determined that no school shall excel it in the thoroughness of its scholastic work and, God helping it, in the thoroughness of its Christian training.

General Requirements

This catalog does not constitute a contract between Bob Jones University and its students on either a collective or individual basis. It represents the school’s best academic, financial and social planning at the time the catalog was published. Course and curriculum changes, modifications of tuition, fees and other charges, plus unforeseen changes in other aspects of Bob Jones University life sometimes occur after the catalog has been printed. Because of this, Bob Jones University does not assume a contractual obligation with students for the contents of this catalog.

Candidates for admission to any of the schools of BJU must give evidence of good character. Students transferring from other schools must present statements of honorable dismissal.

Notification of Nondiscriminatory Policy

Students of any race, color, national and ethnic origin, protected disability or veteran status are admitted to all the rights, privileges and activities generally accorded or made available to students at Bob Jones University. BJU does not discriminate on the basis of race, color, gender, national and ethnic origin in its administration of its educational policies, Admission policies, scholarship and loan programs, and athletic and other school-administered programs. The pronoun “he” as used throughout the catalog generically refers to all students.

Former Students Who Have Been Withdrawn on Disciplinary Suspension or Denied Reenrollment

Students who are withdrawn on Disciplinary Suspension or denied reenrollment from Bob Jones University may be considered for readmission for a term that begins at least one complete semester following the time of their termination.

In addition to following the procedures for “Students Who Previously Attended Bob Jones University,” a student will be asked to provide a recommendation from his pastor; a letter of apology; and, in some cases, an interview with the university dean of men or dean of women will be required.

Fulfilling their academic graduation requirements will require a minimum of two full-time semesters or one full-time semester and two full-time summer sessions.

Time Required for Processing of Application

Ordinarily, an application can be processed in no less than three weeks, and it is not unusual for an application to require six weeks, or longer for processing. It is necessary to secure the transcripts from other schools, secure the necessary character recommendations, and coordinate all these records in the Admission office before the admission decision can be made. Following an applicant’s acceptance, a non-refundable reservation fee of $250 must be paid to confirm his reservation. Upon enrollment, the $250 will be applied toward the semester’s tuition and fees. No reservation is final until all these records are in order and the reservation fee is received.

Consequently, an applicant should allow himself as much time as possible for the processing of his application.

All reservations are contingent upon the applicant submitting a medical health form prior to the opening of the semester in which he enrolls.

The application deadline for 1st semester is Aug. 1 and for 2nd semester it is Dec. 1. However, the School of Fine Arts & Communication graduate programs have deadlines for the submission of all admission materials: application, audition/portfolio and any program-specific requirements. The 1st semester deadline is the previous Apr. 1 and the 2nd semester deadline is the previous Oct. 15.

Admission of International Students

One of the unique features of Bob Jones University is that as a private liberal arts university it attracts its student body each year from virtually all the states plus the District of Columbia, the outlying possessions of the United States and more than 40 foreign countries. In addition to those who are foreigners by citizenship, BJU attracts each year a number of students who are of American citizenship but who were born and have been reared in foreign countries.

Bob Jones University is proud of its international students and works diligently to facilitate the admission of its qualified international applicants. The international student, however, who desires admission to Bob Jones University will do well to read carefully the following paragraphs.

An international student makes application for admission to Bob Jones University in the same manner as any other student, with the additional need of meeting certain requirements of his own country plus the requirements of the United States for approval to study in this country. Before a letter can be sent from BJU to the student to assist him in securing the necessary credentials to leave his own country to enter the United States for study, the international student must do as follows:

1. Submit electronic application with the $250 reservation fee for the semester for which the reservation is requested (which must be in United States funds). In the event the application should be denied, $250 will be refunded.

2. Furnish satisfactory evidence as to his character, ability to meet his financial obligations in this country and academic preparation for study in an American university. He must also provide proof of his proficiency in the English language.

In establishing their academic preparation for study in Bob Jones University, students educated outside the United States must submit a credential evaluation report from World Education Services (www.wes.org/application/). Applicants should request a course-by-course evaluation of their university work. Bob Jones University must be identified as a recipient of the completed World Education Services report. Academically the student is evaluated on the basis of this report; and advanced standing, if any, is allowed on the basis of recommendations made by the credentials committee.

Because of the time involved, every international applicant should submit his application with all the necessary credentials at least six months to a year in advance of the semester in which he expects to enroll. Canadian students must allow no less than three months for the processing of their applications.

A letter of tentative acceptance granted to an international student on the basis of satisfactory preliminary information is subject to final confirmation by the completion of all records pertaining to the student, including the evaluation of academic credentials by the credentials committee, which is final and binding in all cases. It is understood that the international student in claiming his reservation accepts this provision as part of his contract with BJU.

Bridge to College English

Purpose

The Bridge to College English (BCE) exists to prepare international students to succeed in English-medium courses at Bob Jones University for admission as degree candidates. The program includes non-credit courses in various aspects of English and college-level courses in Bible and speech, as well as the Freshman Seminar. It supports the following goals of the Division of English: Students will be able to communicate well and will be able to apply knowledge of language structure. Students have the advantage of being immersed in English in a warm Christian atmosphere where Christ-like character is nurtured.

BCE is offered during the fall semester. Near the end of the semester, students will take the Test of English as a Foreign Language (TOEFL). Students who achieve the necessary TOEFL score will be admitted in a degree program for the spring semester.

Program Learning Outcomes

The student will:

- Comprehend and communicate in English well enough to succeed in college-level courses at Bob Jones University.
- Use study skills that will enable them to succeed in college-level courses at Bob Jones University.
Content

The core of the BCE program is daily instruction in English as a second language, including all four language skills: listening, speaking, reading, and writing. The student will be in a small class, where he will receive generous amounts of friendly individual attention. As part of the program he will receive special help in listening to lectures and taking notes, as well as in other skills needed by students.

Admission as a Graduate Student

A student holding a bachelor’s degree who wishes to secure additional training but who does not wish to follow a program of study leading to an advanced degree may enroll as a postgraduate special student. Such a student may take courses only on the undergraduate level, choosing those courses based upon his objective for taking such special work.

Admission as a Postgraduate Special Student

Transfer students seek admission to BJU in the same manner as other students. It will be helpful, therefore, for every prospective transfer student to read the general requirements for graduate admission. The transfer student himself is responsible to see that all previous college-level work are sent directly from each institution attended. All such transcripts should be requested at the time the application is submitted to the University since the application cannot be processed until all records are in order. Transcripts are not accepted directly from students.

All transfer credits are accepted on a provisional basis, which means that they do not become a part of the student’s permanent record until after he has successfully completed one semester of resident study leading toward a degree from BJU. To validate the credit on any transcript of record, a student is expected to earn the same grades or better in residence at Bob Jones University.

The transfer student should bear in mind that the academic year in Bob Jones University is divided into two semesters of 16 weeks each and that the unit of credit is the semester hour. Quarter hours are converted into semester hours at the ratio of 3:2—that is, three quarter hours equal two semester hours. While every effort is made within the regulations to give the transfer student full value of his previous work, no fractional credits are recorded and course credits of a fragmentary nature are disallowed.

Admission as a Graduate Student

BJU offers graduate work in English, religion, fine arts and communication and education. The applicant must hold a bachelor’s degree from an approved college or university and must qualify for a program of study leading to a graduate degree. In order to pursue graduate work, a student must have an undergraduate major or its equivalent in the field chosen for graduate study. His undergraduate program of study must be substantially equal to the undergraduate program of study required in that particular field at Bob Jones University, including major, and general requirements. Further details concerning specific requirements are given elsewhere in this catalog under the College of Arts and Science, Seminary & Graduate School of Religion, School of Fine Arts & Communication, and the School of Education.

An applicant who meets all undergraduate requirements for admission to graduate work is given admission subject to the regulations regarding admission to candidacy which apply to all graduate students. An applicant who is deficient 13 or more credits will be admitted as a Postgraduate Special Student limited to undergraduate courses only. Once this student has less than a 13-credit deficiency, admission to candidacy may be granted. All students should remove academic deficiencies as early in their program as possible. An applicant whose undergraduate program of study is totally out of line with the graduate program he wishes to pursue will be advised to enroll in the appropriate undergraduate school in order to qualify for the bachelor’s degree. In every case an applicant for graduate study must present an undergraduate record of such quality as to predict success on the graduate level.

Students wishing to enter the graduate school with bachelor’s degrees from Bible colleges will be accepted if their grades are adequate and if they meet the following conditions: the undergraduate work taken for the bachelor’s degree must contain a total of at least 120 credits with a minimum of 70 credits in academic subjects. Of these 70 credits, not more than 20 may be from the combined fields of music, speech and commercial skills courses. Courses in Bible, church administration or practical work will not be considered as applying toward the 70 credits of academic subjects required.

Partnership Programs

Master’s-level programs may be completed in residence within one or two years, or even less through semester, summer school and/or Distance Learning study. The Seminary & Graduate School of Religion and the School of Education provide unique scheduling for those involved in full-time Christian ministry. Students may complete their work during the June and July summer sessions, during two-week block courses in January or July, through special block scheduling offered both first and second semester each year, and in some cases entirely through online courses.
The Seminary & Graduate School of Religion Pastoral Partnership Program is for those involved in full-time Christian ministry. BJU graduates who qualify will not be required to fulfill other student requirements, such as attendance at chapel, opening services, Bible Conference, etc. Students taking daytime classes who have never attended BJU will be required to attend chapel one day per week but will be exempt from other student attendance requirements.

The School of Education Christian School Partnership Program is to help meet the need for qualified, well-educated administrators in Christian schools. BJU has financial assistance for those currently serving as administrators or those who wish to train to assume such a role in the future. For further information contact the Financial Aid office at ext. 3037.

Graduate Assistantships

Each year BJU awards graduate assistantships to outstanding students who wish to pursue a graduate degree or a second undergraduate degree. An assistantship runs for one year with an opportunity to expand and yields a competitive wage that allows the assistant to pay a special rate for room, board and tuition. The tuition covers an academic load of 6–10 credits during the work agreement.

Teaching and residence hall graduate assistants work/teach half–time during semesters on a 9-month basis. Work/teaching duties are assigned by the Director of Educational Services. The agreement begins during the month of August.

Staff graduate assistants work 28 hours during semesters and 40 hours during summers on a 12-month basis with a maximum of 10 non-paid working days off during the year.* Specific duties are assigned by the department manager.

* International student requirements will differ.

For more information, contact the BJU Human Resources department.

Transfer Credit Regulations

The regulations governing the transfer of credits earned in other institutions are as follows:

1. It is the policy of BJU to consider for transfer, credits earned in a regular college or university or other institutions of collegiate level. The accreditation status of the other institutions will be a factor in transfer credit decisions, but it will not be the sole or primary factor.
2. Only those credits which carry a grade of at least B at the graduate level may be transferred (no grades of C, D, F or P).
3. Courses acceptable for transfer must be substantially in line with the course of study offered by Bob Jones University and must serve a useful purpose in the particular curriculum which the student proposes to follow. A course to be accepted need not be identical with a course offered at Bob Jones University, but it must be a course, even as a general elective, which is in line with the requirements as defined in this catalog.
4. In transferring credits all evaluations are made in terms of courses as they appear in the university catalog. Though the original course titles are retained, the student’s transfer record will show the course number as it appears in the Bob Jones University catalog. Transfer courses for which there exist no parallel courses in this institution but which are acceptable for transfer will be assigned the proper departmental classification.
5. BJU does not accept in transfer any work done at the graduate level by correspondence. Undergraduate deficiencies may, however, be removed through correspondence work at approved schools.
6. BJU does not accept in transfer any graduate courses offered by an institution that does not grant graduate degrees.
7. BJU does not accept in transfer for graduate credit any undergraduate courses taken at another institution even if the offering institution accepts the coursework as graduate-level work.
8. A unit of credit at Bob Jones University is a semester hour. Quarter hours are transposed into semester hours at the ratio of three to two; that is, three quarter hours equal two semester hours. No fractional credits are recorded, and course credits of a fragmentary nature are disallowed.

Transfer credit is limited to a maximum of six semester hours for the Master of Arts, Master of Music, Master of Science, Master of Education and Master of Ministry degrees. Up to a maximum of 30 semester hours of work taken beyond the Master of Arts degree may be transferred into the Doctor of Pastoral Theology program. Up to a maximum of 48 semester hours may be transferred into the Master of Divinity degree program. A maximum of 45 semester hours may be transferred into the Doctor of Philosophy degree program. It is understood that students transferring in substantial credits at the graduate level will not normally take additional work in transfer once they are accepted into a graduate program at Bob Jones University. A graduate student’s transfer work is not calculated into his or her grade point average.

Explanation of Fees

Application Fees

New students submitting a paper application must include a $45 application fee with their submission. There is no application fee required for applications submitted electronically through the BJU website. Once a student has been notified of his acceptance, a reservation deposit of $250 for new students or $50 from former students will be due by May 1 for first semester and Nov. 1 for second semester. The application fee is non-refundable; however, in the event that BJU finds it necessary to cancel a student's reservation, the reservation deposit only will be refunded.

Program Fee

A program fee will be charged to all students at the beginning of each semester. The program fee covers the use of the library, post office box rental, use of the athletic facilities, registration expenses, email access in the library and computer labs, computer network access and supply fees associated with many courses. The fee also covers Concert, Opera & Drama Series Tickets for students who are enrolled in at least 6 credit hours. All privileges covered by the program fee are forfeited for the remainder of the year if a student withdraws from school for any reason.

Graduation Fee

All students who are completing their degree and are candidates for graduation will be charged a graduation fee. This fee covers the cost of the diploma and the rental of academic regalia and are payable in full whether the candidate receives the degree in person or in absentia. If a student’s plans for graduation are canceled or changed after the diploma has been ordered, the student will be charged diploma reorder fee.

Vehicle Registration

Students who bring an automobile or motorcycle to campus must register their vehicle with the Department of Public Safety. A vehicle registration fee will be charged per semester for all residence hall and day student vehicles. Day students who have more than one vehicle to register may register the additional vehicle, provided only one of the vehicles will be parked on campus at any given time. A separate smaller fee will also be charged for each additional vehicle.

Terms of Payment

Semester charges including tuition, room, board, and program fee will be posted to a student’s account prior to the start of the new semester with payment due by Aug. 5 for the first semester and Jan. 5 for the second semester. Any new student who withdraws after classes begin or any present or former student who leaves after completing the check-in process for any term will owe tuition, program fee and room and board, if applicable through the date of withdrawal with a minimum due of 20 percent of the semester rate. This applies to students who leave for any reason—either voluntary withdrawal or suspension/expulsion. If a student has paid more than the required amount due, a refund will be made.

Course Withdrawal Adjustment Policy
No adjustment will be made in tuition or program fees for courses which are dropped after 5 weeks.

Christmas Vacation Room and Board
Because the Christmas holiday period is not included in the regular academic year, any student who wishes to remain on campus during this period will be charged $25* per day for room and board. *Fee subject to change

Collection Fees
If it becomes necessary to refer unpaid charges to a collection agency, the cost of collection (33 percent of the outstanding balance) will be added to the balance due. This amount in addition to the outstanding balance must be paid before the account is considered satisfied.

Release of Transcript
A student’s account must be cleared with the Business Office before a transcript can be released.

Return of Title IV Funds Policy
Federal regulations state that students who withdraw from school may keep only the Title IV financial aid funds they have earned up to the date of withdrawal. Students earn federal financial aid by attending classes.

If a student withdraws prior to completing 60 percent of the period or term, the Financial Aid Office will calculate the earned portion of federal financial aid by determining the percentage of the payment period or term that has been completed. The date of withdrawal used to calculate the return of Title IV aid is based on the last date of the student’s attendance in class. If that date is not known, the midpoint of the semester date will be used. The funds to be returned will be calculated by the Financial Aid Office based on a formula provided by the Department of Education.

If a student earned less aid than was disbursed, the institution is required to return a portion of the funds and the student may be required to return a portion of the funds. Once the Title IV funds are returned, the student may have a balance due on his school account.

If a student received a disbursement of federal aid for educational expenses over and above the charges for tuition, program fee, and room and board (when applicable), the student may be required to repay a portion of those funds to the federal aid programs. Failure to return federal aid money may result in loss of eligibility for federal aid in the future.

If a student earned more aid than was disbursed to him, the school would owe the student a post-withdrawal disbursement which must be paid within 120 days of the student’s withdrawal.

Title IV funds will be returned to the Department of Education in the following order:
Refunds are allocated in the following order:
• Unsubsidized Federal Stafford Loan
• Subsidized Federal Stafford Loan
• Federal Parent (PLUS) Loan
• Federal Pell Grant
• Federal Supplemental Opportunity Grant
• Other Title IV assistance
• Other state
• Private and institutional aid

Satisfactory Academic Progress Policy for Federal Student Financial Aid and Veteran Benefits

Bob Jones University Standards of Satisfactory Academic Progress (SAP) measures a student's academic performance in the following three areas: completion rate, cumulative grade point average (GPA), and maximum time frame (Pace). The Financial Aid Office is responsible for ensuring that all students who receive federal financial aid are meeting these standards. The Standards of Satisfactory Academic Progress apply to all federal, state, institutional financial assistance programs and veteran benefits through the U.S. Department of Veterans Affairs. Progress will be measured at the end of each payment period, semester or summer, that a student is taking classes.

1. **Completion Rate**
   
   At the end of each payment period, semester or summer, a student’s academic progress will be measured by comparing the number of attempted credit hours with the earned credit hours (i.e., received a grade of A, B, C or D). This includes any course for which the student has remained enrolled past the Drop/Add period. A student must earn 70 percent of credits attempted to maintain satisfactory academic progress.

   - **Withdrawals** (W’s and WF’s), incompletes, and failures are considered attempted but not earned hours.
   - **Passing credits received for pass/fail courses** are considered attempted and earned credits; failing grades in pass/fail courses are considered attempted but not earned.
   - **Repeated courses** are included in the calculation of both attempted and earned hours.
   - **Audited courses** are not considered credits attempted or earned.

2. **Cumulative GPA**
   
   Financial aid recipients are governed by the academic performance standards of Bob Jones University. In order to retain financial aid eligibility, the student must maintain a cumulative GPA of 3.0. (For Master of Divinity students, the minimum cumulative GPA is 2.6.) All graduate students (except Master of Divinity students) will be dropped from their graduate degree program and will no longer be eligible for financial aid if they:
   - earn more than six credits of C’s (Masters of Arts in Teaching and MBA students may earn nine credits of C’s, Masters of Ministry may earn unlimited C’s)
   - earn a grade of D or F in any course.

3. **Maximum Time Frame (Pace)**
   
   Any masters (except Master of Divinity) degree student who interrupts his enrollment for more than twelve months, having completed fifteen (Education programs) or twenty (Seminary programs) of the required hours for his degree, must complete the remaining hours within three years of his last residence, or he will be required to complete nine hours of study in addition to the degree requirements before the degree can be conferred. If the work is not completed within five years, the student will not be eligible for the advanced degree.

   A master of divinity or doctoral student who does not complete any coursework for three consecutive years will be dropped from his program. Should he desire to resume work later, he must reapply for Scholarship Committee approval and, if approved, meet catalog requirements in effect at the time of his reenrollment.

4. **Satisfactory Academic Progress (SAP) Reviews**
   
   Academic progress will be reviewed at the end of each payment period. Those students not meeting the requirements stated above will be placed on Financial Aid Warning during the next payment period and will receive notification from the Financial Aid Office.

   **Financial Aid Warning**
   
   - A student is placed on Financial Aid Warning for the payment period following the payment period in which he did not meet satisfactory academic progress standard
   - A student is eligible to receive financial aid funds during this payment period but must meet the SAP requirements by the end of the payment period
   - At the end of the Warning period, if the student has not met SAP standards, he will be notified that he is ineligible to receive financial aid for the next payment period

   **Financial Aid Probation**
   
   - A student will be placed on Financial Aid Probation and will be eligible to receive financial aid for the next payment period IF
   - § the student appeals the determination that he is ineligible AND
it is determined that he should be able to meet the SAP standards by the end of the probation period.

• The student will not receive financial aid funds for the subsequent payment period unless the SAP standards are met by the end of the Probation period or the student submits a new appeal and it is approved.

• If a student’s appeal is denied, the student will be ineligible to receive financial aid from federal or state sources, Bob Jones University or the Department of Veteran Affairs.

• No student may appeal ineligible status more than three times.

**Financial Aid Ineligible**

• A student will be considered Ineligible IF
  § at the end of the Warning period the student does not meet SAP standards and does not appeal the ineligible status
  § the appeal for probation is denied
  § at the end of the probation period the SAP standards were not met and the student does not submit a new appeal to remain on probation status

• If satisfactory academic progress standards are met at the end of the period of ineligibility, financial aid eligibility will be reinstated.

• A student in Ineligible status may not receive financial aid from federal or state sources, Bob Jones University or the Department of Veteran Affairs.

5. **Appeal Procedure**

To appeal an Ineligible status, a student must, within 15 calendar days of notification of the status, submit to the Financial Aid Director a signed and dated letter of appeal explaining why he should not be Ineligible. The appeal must include the reason the student failed to meet the SAP standards and an explanation of what has changed that will allow the student to meet the standards by the next evaluation. Reasons for an appeal may include, but are not limited to the following: health, family, catastrophe, etc. Documentation verifying the situation may be requested. After all requested information is received, the Appeal Committee will make a determination on the appeal. The student will then be notified of the approval or disapproval of the appeal and of his or her financial aid status for the next payment period. This notification will be sent by the Director of Financial Aid within a reasonable time frame.

6. **Reinstatement**

A student may be reinstated to a “qualified for financial aid” status after meeting the SAP standards.

**Glossary**

• **Satisfactory Academic Progress (SAP)** is used to measure a student’s academic progress for eligibility for financial aid.

• **Payment Period** equals a fall or spring semester or summer when a student is enrolled in a college course.

• **Financial Aid Warning** is a status assigned by an institution to a student who fails to make satisfactory academic progress but may continue to receive financial aid from federal or state sources, Bob Jones University or the Department of Veteran Affairs.

• **Financial Aid Probation** is a status assigned by an institution to a student who fails to make satisfactory academic progress and who has successfully appealed and has had eligibility for aid reinstated.

• **Financial Aid Ineligible** is a status assigned an institution to a student who fails to meet the satisfactory academic progress standards, has not submitted an appeal for probation, or has had an appeal denied and therefore is ineligible to receive any financial aid from federal or state sources, Bob Jones University or the Department of Veterans Affairs.

Academic Procedures and Regulations

The Academic Year

The Bob Jones University academic year is divided into two semesters of 16 weeks each. The school year ordinarily begins one week before Labor Day with official opening the Wednesday before Labor Day and closing the first week of May. The semester hour is the unit of credit.
**Summer Session**

Bob Jones University offers three four-week sessions commencing the Monday following commencement each year primarily for the benefit of students already enrolled. Undergraduate courses are offered in the first and second sessions. Graduate courses are offered during the second and third sessions. A student is able to earn a maximum of seven semester hours credit each session. Members of the regular faculty will serve during the summer sessions. The schedule of courses with complete information for the summer sessions is available in the university summer sessions Registration Guide and Schedule of Classes. Those interested in attending the summer session should write the Director of Admission.

**Coursework Taken Elsewhere**

Any student who plans to take work elsewhere, including summer school, with the intention of counting this work toward degree requirements in Bob Jones University, must have the permission of the registrar before enrolling in such courses. When this work is completed, the student should request a transcript to be mailed immediately to BJU. Students who fail to observe the regulations of BJU concerning work completed elsewhere may forfeit credit for this work. No grades below B or P or CR are accepted in transfer credit. Twelve to 16 semester hours constitute the maximum amount of credit which a student may receive for work completed during the summer (including correspondence). In some instances, a student may be allowed to transfer a maximum of 16 semester hours upon approval of the registrar.

A student may not be enrolled for any courses at any other institution while enrolled at Bob Jones University, with the exception of approved correspondence work.

**Bible Requirements**

Graduate students who did not attend Bob Jones University may, at the discretion of the Academic Council, be required to take Bible courses. Bible deficiencies must be begun the first semester of a student’s enrollment until all deficiencies are completed.

**Registration and Advisory System**

One to three days are set aside at the beginning of each semester for registration. During this time, each student is supplied with complete information regarding the class schedule and his own previous academic record. Each student is assigned to a faculty advisor who assists him in making out his program of study. During the school year a student may consult his faculty advisor, his dean or any member of the registrar’s office staff at any time concerning his course of study and his future academic plans. While everything possible is done to help the student plan his program correctly, the final responsibility for taking the courses which will fulfill the graduation requirements rests upon the student.

**Student Load**

A normal full-time graduate student load is 10–15 hours a semester. The minimum full-time load for residence hall students is 10 hours; the maximum load is 16 hours.

No course which has been completed with a grade of C or above may be repeated except as an audit. Permission to audit requires the approval of the registrar or the dean of the school involved. Any course repeated without this permission will be considered an audit, for which no grade will be given, although the course will count on the student’s load.

**Classification of Students**

Academic classification is granted to all university students according to the following standards:

- **Graduate**: Possession of a baccalaureate degree from an approved college or university and admission to a program of study leading to an advanced degree.
- **Postgraduate Special**: Possession of a baccalaureate degree from an approved college or university but admitted as a special student, not taking a program of study leading to an advanced degree. Students in this classification are limited to undergraduate courses.

**Course Credit**

Credit is given in semester hours, each semester hour representing 16 hours of class work or a minimum of 32 hours of laboratory work. Therefore, a class which meets for class work three hours a week for a semester will ordinarily give three semester hours of credit. A class which meets for classwork three hours a week and for laboratory work a minimum of two hours a week will give four semester hours of credit.

**Grading System**

The following grading system is used by all schools of BJU.

- A  Excellent
- B  Good
- C  Passing
- D  Unsatisfactory
- F  Failure
- I  Incomplete
- W  Withdrawn from course
- WF Withdrawn failure
No grade below C is acceptable for graduate credit, and the student must maintain an average of B in all graduate programs except for the Master of Divinity degree.

Official standards of achievement for the various university courses are assigned by each of the divisions and departments of BJU.

Permits for late examinations may be acquired at the Records Office.

Grade Reports

Students are given an opportunity to evaluate their progress at approximately the midpoint of the semester. Midterm progress reports will posted on StudentCentral.

Formal grade reports are issued once each academic period (i.e., at the end of each semester). Any questions concerning the accuracy of a grade report should be submitted to the respective professor within 30 days of the report issued.

Students who made an incomplete (“I”) during first semester are required to make up or complete their work by the following March 1; the winter miniseason deadline is the following May 1. Students who make an I during second semester or summer school are required to make up or complete their work by the following Nov. 1. If the work is not completed by the required deadline, the I will be changed to F. A student who makes up his work within the required time will receive a grade determined by the instructor.

Quality Points

Quality points will be computed as follows, in all schools of BJU:

- A: 4 quality points per semester hour earned
- B: 3 quality points per semester hour earned
- C: 2 quality points per semester hour earned
- D: 1 quality point per semester hour earned
- F: 0 quality points per semester hour earned
- P: 0 quality points per semester hour earned

Academic Council

The Academic Council, composed of six academic deans, the registrar and the provost, who serves as chairman of the Council, is the custodian of the academic affairs of BJU. It is the work of this Council to review periodically the academic regulations of BJU and to make such revisions from time to time as are deemed necessary. The Council considers any special requests of an academic nature which represent any deviation from the established academic regulations. All cases of conditional enrollment and those of students on probation and students whose academic records are unsatisfactory are reviewed by the Council. At the discretion of the Council, a student whose academic progress is unsatisfactory will be dropped for poor scholarship.

The Academic Council evaluates the records of those graduate students who seek admission to candidacy for advanced degrees and admits to candidacy such students as meet the required standards.

All honors and awards of an academic nature must be approved by this Council.

Academic Grievances & Complaints

Students are free to speak with professors to express concerns about final grades. If a student does not feel his/her professor has resolved the issue satisfactorily, he/she may express in writing a grievance or complaint to the dean of his/her college/school. (If the complaint is against his/her dean, the student may appeal directly to the Provost, as described below.)

If the student does not feel that such a course resolves the issue, he/she may submit a letter of Inquiry/Complaint to the office of the Provost. When the Provost receives a formal letter of Inquiry/Complaint, the letter will be distributed to the Administrative Hearing Committee. The Administrative Hearing Committee receiving the letter of Inquiry/Complaint will conduct an appropriate investigation and will render a written explanation/decision within 30 days of the filing of the inquiry/complaint to both the student who made the complaint and the Provost. The Office of the Provost will keep a record of all student complaints and documentation of how they were handled.

If the student is not satisfied with the finding of the Administrative Hearing Committee, he/she may petition the Board of Trustees directly to be allowed to present his/her inquiry/complaint. The Executive Committee of the Board of Trustees shall consider the petition and determine if the full Board will consider the matter. The decision of the Executive Committee as to whether the matter will be presented to the full Board is final. If the matter is presented to the full Board, the student will be notified of the procedure that the Board will follow in hearing the inquiry/complaint.

Disciplinary Grievances & Complaints

We aim to follow Scripture by applying discipline in ways that equip students for every good work. These ways include doctrine, rebuke, correction and instruction in righteousness (2 Tim. 3:16–17).

Students are able to appeal disciplinary penalties at the Discipline Committee (for offenses under fifty
demerits) or at a special session of the Discipline Committee, chaired by the Dean of Students and consisting of Student Life, academic and student leadership representatives (for offenses of fifty demerits or more).

If a student does not feel that the Discipline Committee’s decision resolves the issue, he/she may submit a letter of Inquiry/Complaint to the office of the Provost. When the Provost receives a formal letter of Inquiry/Complaint, the letter will be distributed to the Administrative Hearing Committee. The Administrative Hearing Committee receiving the letter of Inquiry/Complaint will conduct an appropriate investigation and will render a written explanation decision within 30 days of the filing of the inquiry/complaint to both the student who made the complaint and the Provost. The Office of the Provost will keep a record of all student complaints and documentation of how they were handled.

If the student is not satisfied with the finding of the Administrative Hearing Committee, he/she may petition the Board of Trustees directly to be allowed to present his/her inquiry/complaint. The Executive Committee of the Board of Trustees shall consider the petition and determine if the full Board will consider the matter. The decision of the Executive Committee as to whether the matter will be presented to the full Board is final. If the matter is presented to the full Board, the student will be notified of the procedure that the Board will follow in hearing the inquiry/complaint.

General Grievances & Complaints

We desire to treat students fairly and to serve their needs effectively. We are open to constructive input regarding how we may improve our service to students, campus life and the testimony of BJU. Mass and social media are powerful tools to communicate truth. In the spirit of honor and wisdom, however, students should not use media to disparage BJU but should instead pursue truth in love by following this grievance process. Students who wish to make a general inquiry, recommendation or complaint that does not relate to mistreatment from a specific person, are free to approach the Dean of Students for a discussion about the concern and the most reasonable way to satisfy or resolve the issue. (See references above under “Personal Grievances & Complaints” for information on how to file grievances relating to mistreatment from a specific person.)

If the student does not feel that such a course resolves the issue, he/she may submit a letter of Inquiry/Complaint to the office of the Provost. When the Provost receives a formal letter of Inquiry/Complaint, the letter will be distributed to the Administrative Hearing Committee. The Administrative Hearing Committee receiving the letter of Inquiry/Complaint will conduct an appropriate investigation and will render a written explanation decision within 30 days of the filing of the inquiry/complaint to both the student who made the complaint and the Provost. The Office of the Provost will keep a record of all student complaints and documentation of how they were handled.

If the student is not satisfied with the finding of the Administrative Hearing Committee, he/she may petition the Board of Trustees directly to be allowed to present his/her inquiry/complaint. The Executive Committee of the Board of Trustees shall consider the petition and determine if the full Board will consider the matter. The decision of the Executive Committee as to whether the matter will be presented to the full Board is final. If the matter is presented to the full Board, the student will be notified of the procedure that the Board will follow in hearing the inquiry/complaint.
Board is final. If the matter is presented to the full Board, the student will be notified of the procedure that the Board will follow in hearing the inquiry/complaint.

Students should keep in mind that it is not acceptable to disparage BJU through media. Any attempt to do so will not be tolerated and is grounds for dismissal as a student.

FERPA

Bob Jones University complies with the Family Educational Rights and Privacy Act (FERPA) of 1974 (Public Law 93-380), which affords students certain rights with respect to their education records. They are the right to …
- Inspect and review the student’s education records.
- Request the amendment of the student’s education records.
- Consent to disclosures of personally identifiable information.
- File a complaint with the U.S. Department of Education.

Additional information and University policies regarding the protection of student records are published online in StudentCentral, BJU’s student academic portal, and further information about FERPA contact the registrar or go to http://www.ed.gov/policies/gen/priv/fpco/ferpa.

Numbering of Courses

- Courses numbered from 100 to 199 are primarily for freshmen.
- Courses numbered from 200 to 299 are primarily for sophomores.
- Courses numbered from 300 to 399 are primarily for juniors.
- Courses numbered from 400 to 499 are primarily for seniors.
- Courses numbered from 500 to 599 are advanced courses primarily for juniors and seniors and graduate students. Whether undergraduate or graduate credit is awarded will be determined by the student's classification at the time he registers for the course. Students taking 500-level courses for graduate credit will have an additional project or paper as part of their course requirements.
- Courses numbered from 600 to 699 are primarily for graduate students pursuing master's degrees.
- Courses numbered from 700 to 899 are primarily for advanced graduate and doctoral students.

Course Enrollments

No course will be offered in any of the graduate divisions unless there is an enrollment of at least five persons, with the exception of the special individual research and private study courses which are offered to qualified students as explained elsewhere in this catalog.

Change of Course

After registration the student is given time to make any necessary adjustments in his schedule. All schedule changes are subject to a change fee. After this drop/add period students may drop courses when necessary, but no new courses may be added. Courses dropped during the first five weeks will receive a grade of W. Courses may not be dropped during the final two weeks of regular classes or during final exams. A student who makes any changes in his schedule without following the correct Records Office procedure will receive a grade of F for the course involved.

Course Offerings

The curricula of the catalog and the class schedule are made up primarily with the degree student in mind. Although the schedule of courses presented in this catalog is meant to be as nearly as possible an accurate account of the courses to be offered, BJU reserves the right to make any necessary changes at any time in the courses to be offered, amount of credit to be given, or any other details.

Residence

For a student who is in residence only two semesters, the year's work will be construed as a minimum of 24 semester hours. For residence purposes, as well as for all other academic uses, the summer session is construed as a part of the regular academic year; i.e., one summer (two four-week sessions) of full-time study is considered to be equivalent to one semester of resident study.

Any master’s (except MDiv) degree student who interrupts his enrollment for more than 12 months, having completed 20 of the required hours for his degree, must complete the remaining hours within three years of his last residence, or he will be required to complete 9 hours of study in addition to the degree requirements before the degree can be conferred. If the work is not completed within five years, the student will not be eligible for the advanced degree.

Any master’s (except MDiv) degree student who interrupts his enrollment in BJU before completing all of his requirements for graduation is responsible to meet the catalog requirements which are in effect at the time of his return.

A Master of Divinity or a doctoral student who does not complete any coursework for three consecutive years will be dropped from his program. Should he desire to resume work later, he must reapply for Scholarship Committee approval and, if approved, meet catalog requirements in effect at the time of his
reenrollment. The student is expected to complete his final semester of coursework in residence at Bob Jones University.

Distance Learning

Coursework may be taken by distance learning to count toward the requirements for graduation. Unless taken through BJU, courses taken in this manner must be approved by the registrar before they are taken. A maximum of 30 credits from all approved sources may be recognized, including credit that is recognized from Advance Placement (AP) and College-Level Examination Program (CLEP) examinations. Any work of this nature taken during the time that the student is in residence must be counted as part of the student's load for that semester. (distance learning work does not fulfill residency requirements).

A number of online courses are available through Bob Jones University. Most of BJU’s graduate programs require a minimum number of credits to be taken in residence. However, the MS in Biblical Counseling, MA in Biblical Studies and MEd in Teaching and Learning degrees are available entirely online.

Examinations

Examinations given during the academic year are listed below with an indication of the groups of whom they are required, the approximate time they are given and the use made of the results.

1. Diagnostic departmental examinations in mathematics, modern language, business, etc.—administered departmentally at the beginning of each semester.
2. Doctor of Philosophy comprehensive examinations—required of candidates for this degree; taken in the last semester of resident work.
3. Graduate language proficiency examinations—required of Master of Arts candidates majoring in Bible or Theology and of all Doctor of Philosophy candidates; given in Greek, Hebrew, French, German, Latin, etc., twice a year in December and April.
4. Music theory placement examination—required of all transfer music majors and entering graduate students majoring in music.
5. Semester examinations—official university examinations in all departments; administered the last four days of each semester.
6. Validation examinations—described in detail below.

Validation Examinations

Students desiring advanced standing on the basis of academic work which BJU is unable to accept without examination may validate such work by examination after their arrival. A fee of $50 is charged for each validation examination. Commercial courses completed in a business school not part of a regular university or college must be validated by examination before transfer credit may be given. This procedure also applies to academic work taken in Bible schools which do not have an approved college department. All validation examinations must be completed by the end of the first half-semester after a student enrolls.

Transcripts

To order a transcript, a student/former student must make request in writing to the Records Office. Please include full legal name, date of birth, year of last attendance and signature.

An official transcript must be mailed directly from Bob Jones University to the place designated. Please include the name and address of the organization to whom you wish the official transcript to be sent. Unofficial transcripts may be sent directly to the student.

There is no charge for transcripts unless more than nine are requested at one time. Then the charge will be $1 per transcript, including the first nine.

The transcript is the University’s certified statement of a student’s academic record. It contains a student’s major and lists all the courses and grades earned in the terms attempted, the grade point average, and if applicable, a minor, transfer work, notations of distinctions and degrees received. A transcript may be authorized for release on security paper as either official or unofficial at the written request of a student. The student’s account with the Business Office must be cleared before a transcript can be released. An official transcript is issued to a designated organization and bears the multicolored seal of BJU and a signature of the registrar. An unofficial transcript is stamped “Issued to Student.”

The usual processing time for a transcript request is 48 hours. (At the beginning or end of a semester, please allow one week.) Transcripts are sent by regular U.S. mail. Any type of special handling will necessitate an additional charge that must be paid in advance.

Mail all requests for transcripts to the Records Office, Bob Jones University, Greenville, SC 29614 or fax (864) 235-6661.

After deficiencies have been reduced to 12 or fewer credits, the student will be reevaluated for graduate consideration. All transfer students must take two semesters of Bible. In certain cases, 6 credits of approved graduate credit may be transferred from a recognized graduate school.

Curricula and Requirements

A student who is admitted to candidacy for a graduate degree shall maintain a high level of achievement and scholarship, which shall be demonstrated by his earning an average of B in the work he takes while registered as a graduate student. Program Emphasis
The Seminary & Graduate School of Religion degree programs are especially designed for those who intend to enter full-time vocational Christian service. All of the degree programs focus on ministry philosophy and practice, personal spirituality, and Scripture interpretation.

As part of the curriculum, great emphasis is given to the student’s development in the image of Christ. This emphasis on personal spiritual development is central to every class meeting, every course and every degree program as a whole. This vital emphasis is further maintained by regular chapel attendance, weekly hands-on required ministry activities, special seminars on spiritual growth and development, and an annual spiritual retreat.

In the pursuit of our students’ spiritual growth and development through mentoring and teaching, our faculty holds to the inspiration and inerrancy of the Bible as the Word of God. We believe that it is the believer’s only rule for faith and practice.

Our approach to teaching the meaning of Scripture follows a traditional, theologically conservative hermeneutic. The person and work of Christ is central to all we preach and teach, especially that all men may only be saved by grace alone, through faith alone, in Him alone, and can only experience an increase in spiritual growth and understanding from the Bible by an intimate spiritual relationship with Him. We are committed to helping our students become firmly committed to embrace and obey whatever Scripture says, even when its statements do not fit within a carefully constructed theological system.

Our approach hermeneutically is characterized by a moderate dispensationalism, governed by the literal,
contextual, grammatical, historical meaning of Scripture. This dispensationalism maintains the distinction between Israel and the Church (presently and uniquely indwelt by the Holy Spirit), recognizes both the literal future and present spiritual forms of the Kingdom of God, and adheres to a pretribulational, premillennial explanation of the doctrine of eschatology as found in Scripture.

**Admission Requirements**

Undergraduate prerequisites—Those applying for a degree program in the Seminary & Graduate School of Religion must have completed a bachelor’s degree from a recognized college or university, with two-thirds of all coursework completed through a traditional college setting of residence and/or distance education, prior to admission. This undergraduate degree should substantially meet the program of study required of undergraduate degree programs offered at Bob Jones University, including 70 credits of general education and liberal arts courses.

If the applicant lacks adequate undergraduate preparation (13 or more credits) for pursuing work in a particular graduate degree program, he will be admitted as a post-graduate special student while making up undergraduate deficiencies. After credit deficiencies have been reduced to 12 or fewer credits, the student will be reevaluated for graduate enrollment.

The student with undergraduate deficiencies should expect to spend a longer time working on his advanced degree. The approximate length of time required for degree completion for a student who transfers to Bob Jones University from another school may only be estimated by the registrar and the dean of the Seminary upon receipt and analysis of transcripts for all academic work previously completed.

Once an applicant meets the required undergraduate prerequisites and holds a completed bachelor’s degree, he will be admitted to full graduate standing, subject to the regulations concerning candidacy which apply to all graduate students.

The Master of Arts degrees—Those applying for one of the Master of Arts degrees must have obtained a minimum 2.5 GPA in their undergraduate degree program. They must also have completed at least 18 credits in Bible, religion or ministerial studies. For those pursuing the Master of Arts degree in Bible, an additional 9 credits of New Testament Greek on the undergraduate level is required. For those with less than these specifically required undergraduate credits, opportunity to complete these undergraduate deficiencies is provided both in residence or online via distance learning through Bob Jones University’s undergraduate course offerings. Applications with 12 or fewer undergraduate credit deficiencies will be granted approval for the Master of Arts degree while making up these deficiencies.

Master of Ministry—Those applying for the Master of Ministry must complete a bachelor’s degree from a recognized college or university prior to admission, present certification of at least two years of full-time vocational Christian ministry experience, and present certification of current employment in full-time vocational Christian ministry as a counselor, pastor, missionary or evangelist.

Master of Divinity—Those applying for the Master of Divinity degree must complete a bachelor’s degree from a recognized college or university prior to admission. Nine credits of New Testament Greek on the undergraduate level is a prerequisite for approval for the Master of Divinity degree. If the applicant is deficient in undergraduate Greek credits, he may take these credits in the first three semesters of his graduate studies through the undergraduate course offerings at Bob Jones University as he begins work on the Master of Divinity degree.

Doctor of Ministry—Those applying for the Doctor of Ministry degree must complete a bachelor’s degree and a Master of Divinity degree prior to admission. The applicant must present certification of a minimum of at least two years of full-time vocational Christian ministry experience, and current full-time vocational ministry employment. He must also give evidence of high academic achievement during his prior graduate studies. Further admission requirements are (1) an interview with the Coordinator of Professional Ministry Programs and the dean of the Seminary, (2) approval of the Academic Council, and (3) a full written statement of ministry philosophy and practice that reasonably aligns with that of the Seminary. As a selective ministry leadership development program, limited enrollment is maintained.

Doctor of Philosophy—Those applying for the Doctor of Philosophy degree must complete a minimum of a Master of Arts degree in Bible, religion, or ministerial studies or the equivalent prior to admission. The student must give evidence of consistently high academic achievement during his prior graduate studies. The applicant must also schedule and complete an interview with the Director of PhD Studies and the dean of the Seminary. Each applicant will be expected to present a brief philosophy of ministry and vocational objective at this interview. His application will then be presented for approval to the full faculty of the Seminary and the Academic Council.
Ministerial Requirement

All Master of Arts candidates (except for those in the MA Biblical Studies program) are required to enroll in SCM 651 and SCM 652 during their first two semesters, followed by enrollment in SCM 708 each semester. Master of Arts candidates in the Biblical Studies program are required to enroll in SCM 708 each semester of residence coursework. Master of Divinity candidates are required to enroll in SCM 651, 652, 701 and 703 sequentially during the first four semesters of enrollment, followed by enrollment in SCM 708 each semester. Doctor of Philosophy candidates are required to enroll in SCM 708 each semester until the completion of doctoral coursework.

Seminary Partnership Program

The Seminary & Graduate School of Religion provides unique scheduling opportunities for those involved in full-time Christian ministry or in other full-time employment that prevents them from taking a normal semester schedule. The Seminary Partnership Program is designed for students who are carrying 6 or fewer resident credits a semester.

Applicants for the Seminary Partnership Program must complete an application available online at the Seminary Web page on the university intranet. Students approved for this program must also be registered for SCM 708 Preacher and His Ministry. Students who qualify for the Seminary Partnership Program will not be required to fulfill other student requirements, such as attendance at chapel, opening services, Bible Conference, etc. Students taking daytime classes who have never attended BJU will be required to attend chapel one day per week during the first two semesters of enrollment but will be exempt from other student attendance requirements.

Master’s Candidacy and Residence Requirements

A graduate student in the Seminary & Graduate School of Religion, although meeting the entrance requirements fully upon admission, is required to complete at least one semester of acceptable study before being recognized as a candidate for the advanced degree. Furthermore, the student may not consider himself a candidate for an advanced degree until all undergraduate deficiencies have been satisfied.

For the Master of Arts degree, a minimum of two semesters of residence is required (excluding online degree programs). A ministerial student may carry a load of 16 credits for each of the two semesters. If one wishes to register for a music lesson in addition to his regular course load, he may do so. A maximum of 6 credits of graduate credit may be transferred into a master of arts program. In the final semester of residency, the master of arts candidate will be required to complete the Master of Arts Comprehensive Examination.

The Master of Ministry residence requirements may be satisfied by enrollment in the special one- and two-week courses offered in January and July each year.

The Master of Divinity degree normally requires a minimum of three years of residence work. Up to 48 credits of appropriate graduate work may be transferred, thereby reducing the residence requirement to one to two years. In the final semester of residence work, the Master of Divinity candidate is required to submit a Master of Divinity Candidate Portfolio for evaluation by the dean of the seminary. A full description of the required contents of the portfolio will be provided to all Master of Divinity candidates by the Seminary office.

Any master’s (except MDiv) student who interrupts his enrollment for more than twelve months, having completed twenty of the required credits for his degree, must complete the remaining credits within three years of his last residence, or he will be required to complete 9 credits of study in addition to the degree requirements before the degree can be conferred. If the work is not completed within five years of his last residence, the student will not be eligible for the advanced degree.

Any master’s degree student who interrupts his enrollment in the university before completing all requirements for graduation is responsible to meet the requirements of the catalog which are in effect at the time of his return.

The Doctoral Candidacy and Residence Requirements

Students in the Doctor of Ministry programs must complete a minimum of 16 credits of acceptable in-residence study before they may be recognized as candidates for the degree. Final candidacy requires the approval of the dissertation prospectus. Students in the Doctor of Philosophy program will not be admitted to candidacy until the language requirements have been completed. The Doctor of Philosophy candidate is required to have completed a Master of Arts degree or its equivalent and must have evidenced the ability to pursue successfully further graduate study and research. The prospective candidate may then apply for permission to pur-
The doctoral degrees will be conferred not merely on the basis of accumulation of credits but on the basis of high scholarship, mastery of the chosen field of study and demonstration of mature Christian character.

The Doctor of Ministry degree residence requirements may be satisfied by enrollment in the special two-week modular courses offered in January and July. Under the direction of the Coordinator of Professional Ministry Programs, the candidate may also elect online or residence courses to complete the degree requirements in less time. A maximum of five years is allowed for the completion of the Doctor of Ministry degree.

The Doctor of Philosophy program normally requires a minimum of four years of work (two years devoted to class work and two years for the writing of the dissertation). This assumes that the student comes into the program with the equivalent of a master’s degree and that he is a full-time student. If a full load is not taken, more time will be required. The entire program (including the Master of Arts and Doctor of Philosophy degrees) requires 96 academic credits of graduate work and 4 credits in practical ministerial requirements. A maximum of seven years is allowed for the completion of the Doctor of Philosophy degree.

Transfer Work—Other graduate work, such as that completed for the Master of Divinity degree in this or other institutions, may be accepted in partial fulfillment of the requirements for the doctorate if it is of satisfactory quality and is appropriate for the candidate’s program of study. No more than half of the credits required for the doctorate may be transferred; that is, at least 48 credits of appropriate graduate work must be taken at Bob Jones University.

Comprehensive Examinations—A doctoral candidate is expected to complete his comprehensive examinations within six months of his final residence course. See the Guide to Doctoral Studies for specific deadline dates for the examinations and a full description of the examinations for the Doctor of Philosophy degree. Comprehensive examinations for the Doctor of Ministry are replaced with Preaching Practicum (Min 659), described in the Guide to Doctoral Studies.

Doctoral dissertations—Doctoral dissertations are to be completed successfully within two years of completion of the candidate’s final class requirement. Once a doctoral candidate has completed his class requirements, he must enroll in Dissertation Research or Dissertation Project each semester until he completes his dissertation. Failure to comply with this requirement may result in the termination of his candidacy. Requests for extensions of time to complete the dissertation will be reviewed by the Academic Council. To be considered, the request must be supported by a recommendation for approval from the candidate’s committee chairman and dean. To be considered for the first extension, the student must have submitted an approved prospectus during the two-year period for completing the dissertation. To be eligible for a second and final extension, the candidate must have completed a substantial portion of the dissertation (approximately 50 percent). The maximum extension in each case is one year. Less time may be granted at the discretion of the Academic Council. Decisions of the Academic Council are final. A student who fails to meet these requirements and deadlines may disqualify himself as a doctoral candidate.

Papers and Dissertations

Quality of Work—A candidate for the Doctor of Ministry degree shall select for his dissertation project a subject approved by the graduate faculty of the Seminary & Graduate School of Religion. For his guidance, he will be assigned a committee of graduate faculty members.

The Doctor of Philosophy degree candidate shall select for his dissertation a subject approved by the faculty of the Seminary & Graduate School of Religion. For his guidance, he will be assigned a committee made up of a chairman and other faculty members of the Seminary & Graduate School of Religion, selected according to the student’s field of specialization. The various committees are selected by the dean and coordinator of curriculum and faculty development.

All dissertations must exhibit originality and thoroughness of research and must be an exhaustive treatment of the subject chosen. The candidate must submit one typewritten copy prepared according to Kate L. Turabian: A Manual for Writers of Term Papers, Theses, and Dissertations (7th ed.), published by The University of Chicago Press. Additional copies required will be photocopied by Bellis Copy Center. The student is required to provide two permanent bound copies for the library. The original will be returned to the student.

The student must present his thoughts and research in an acceptable style. Mere technical form is not adequate; the material should reflect the high quality of research and knowledge expected of doctoral students. Only limited advising is available to religion doctoral students during the summer. The graduate religion faculty is not available for advising from the end of summer school through the week of registration in the fall or during Christmas break.

Sue doctoral work by submitting a Graduate Program Approval Form. A current detailed description of all doctoral requirements and expectations is published annually in the fall by the Seminary & Graduate School of Religion in the Guide to Doctoral Studies.
Deadlines—See the Guide to Doctoral Studies for a comprehensive listing of deadlines. The final copy must be presented to the registrar for his approval no later than April 1 for a May graduation or July 15 for an August graduation.

Any student who has completed all requirements for any graduate degree with the exception of his dissertation must be registered in the university each semester until the dissertation is approved and the copy is on file. This requirement must be met whether or not the student is residing in Greenville while doing his work. The student must also be registered for dissertation credit the academic term in which he defends his dissertation.

Students completing dissertations as part of the requirements for degrees earned at Bob Jones University are requested to give the University the first option of publishing their work prior to submitting their work to other publishers.

Quality of Work

Division of Professional Studies—Work offered for graduate credit must exhibit the degree of ability and achievement accepted on a graduate level. For the Master of Ministry the student must maintain an overall average of B. No grades below C will satisfy degree requirements. For the Master of Divinity curriculum, no course with a grade below C is applicable toward graduation requirements; the student must maintain an overall grade point average of 2.6 on a four–point scale.

For the Doctor of Ministry program a minimum B average must be maintained with a maximum of 6 credits of C grades to be included in the requirements for the degree. Moreover, an additional grade of C or a grade of D or F disqualifies a student as a candidate for the Doctor of Ministry program. Doctor of Ministry candidates are expected to maintain a consistently high level of academic performance.

Division of Graduate Studies—For the Master of Arts and the Doctor of Philosophy programs, an average grade of B must be maintained. A maximum of 6 credits of C grades may be earned. Furthermore, an additional grade of C or a grade of D or F disqualifies a student as a candidate for the Master of Arts or the Doctor of Philosophy programs.

A limited amount of work toward the Doctor of Philosophy degree may be taken in seminars involving individual research under faculty supervision. Such courses must be arranged with the faculty member involved and with the dean of the Seminary & Graduate School of Religion. This special provision is for a student who submits an unusually good transcript and who has demonstrated, on the graduate level, much ability and initiative in research.

For the Doctor of Philosophy degree, the student must successfully pass a series of comprehensive examinations in which he will be expected to demonstrate adequately his mastery of the subject and literature in the field of his specialization.

Language Requirements

Graduate Greek Placement Examination—This examination is required of all students taking graduate Greek for the first time in the Seminary (except BJU Greek minors). Arrangements for this examination may be made in the Seminary office.

Proficiency Examination—The graduate student must satisfactorily pass the language proficiency examinations which are required of candidates for the Master of Arts degree in Bible (with concentrations in Biblical Languages, Bible Translation and Theology) and for the Doctor of Philosophy degree. These examinations are given once each semester. There is no language requirement for the Master of Arts degree in Biblical Studies or the Master of Arts degree in Ministry (with concentrations in Pastoral Studies or Cross-Cultural Studies).

The prospective candidate for the PhD in Theological Studies (with concentrations in Old Testament Interpretation, New Testament Interpretation or Biblical and Systematic Theology) must evidence proficiency in Greek, Hebrew and either German or French. The minimum preparation for the Greek Proficiency Examination is defined as that gained by three years of college work, or the equivalent, in Greek. A minimum of two years’ work in Hebrew is necessary to satisfy the language requirements in the field of Old Testament language. The language course requirements must be satisfied by the mid-point of his doctoral coursework (48 credits). This procedure is desirable since graduate students are expected to use these languages in pursuit of their studies. A student must pass all language examinations before taking any comprehensive examinations and before submitting the prospectus for his dissertation.

Modern Language Requirement—in the fields of German and French, no graduate credit is allowed for the study of these languages, but an equivalent of two years’ study with a reasonable proficiency will usually be necessary to satisfy the requirements of the Modern Language Proficiency Examination.

Greek and Hebrew Requirements—The Greek language requirements, both the courses and the proficiency examination, must be satisfied by the final semester of the Master of Arts programs (in which these are
requirements), or the first year of PhD studies for transfer students. The Hebrew language requirements should be completed by the final semester of the first year of the PhD program.

To complete the six credit requirement, they may elect to precede SNT 622 with SNT 621 Foundations of Greek Exegesis or follow it with a 600- or 700-level Greek exegesis course from the comprehensive course listing in the Seminary.

- Prerequisites: A bachelor’s degree from a recognized college or university, which includes 70 credits of liberal arts including nine credits in Greek (through the 201 level), and two-thirds of all coursework completed through a traditional college setting of residence and/or distance education.

**Master of Ministry Degree**

In support of the Division of Professional Ministry Studies commitment to develop students’ practical ministry skill and their facility in interpreting Scripture, the Master of Ministry degree exists to hone a deployed minister’s skills in ministry practice, biblical interpretation, and pulpit proclamation through lectures, directed reading, and ministry-related papers and projects which promote his ministry effectiveness and his own Christlikeness.

The degree is designed for those with a minimum of two years of pastoral experience and who, due to present pastoral ministry, are unable to enroll in a residence program. This degree is designed to further develop a man’s philosophy of ministry and ministry skills both in the local church and on the mission field.

Courses are available in residence through a two-week modular format in January and July each year. A minimum of 12 credits must be completed in residence. By following the schedule of two-week courses, the candidate may complete up to 24 credits in residence within three years. Since the schedule introduces a new cycle of courses every four years, the candidate may complete all of his requirements through the two-week modular course schedule. Up to 18 credits earned through BJU’s distance learning may be applied to this degree. Up to 6 credits of official university study tours may also be applied toward this degree. The program requires 30 credits.
Program Learning Outcomes

* A bachelor’s degree from a recognized college or university and two-thirds of all coursework completed through a traditional college setting of residence and/or distance education. Currently serving in a full-time pastoral or missionary ministry, with two years of experience.
Doctor of Ministry Degree

In support of the Division of Professional Ministry Studies’ commitment to develop students’ practical ministry skill and their facility in interpreting Scripture, the Doctor of Ministry sharpens a field-minister’s skills in ministry practice, biblical interpretation and pulpit proclamation through class lectures, directed reading and ministry-related papers and projects culminating in a summative dissertation that promotes Christlikeness in himself and in his people.

The Doctor of Ministry degree is a 32-credit professional development program for men engaged in full-time pastoral or missionary ministry who have completed a Master of Divinity degree at a recognized seminary. Included in these 32 credits are 3 credits for the writing of a dissertation on some aspect of ministry philosophy or practice. The topic for this dissertation must be approved by the coordinator of Professional ministry Programs and the dean of the Seminary before the writing and evaluation may begin.

Writing Seminar. The courses for this degree are offered in residence through a two-week modular format several times each year and may be completed following this schedule within three and one-half years. This schedule introduces a new cycle of courses every three to four years. Other residence courses may be allowed for this doctoral program with the prior approval of the dean of the Seminary. Up to 11 credits of this 32-credit program may be earned through BJU’s distance learning and through official university study tours. A maximum of five years is allowed for the completion of the Doctor of Ministry degree.

DIVISION OF GRADUATE STUDIES

STEPHEN JAY HANKINS, PhD, Chairman

Purpose

In support of Bob Jones University’s commitment to grow Christlike character, the Division of Graduate Studies exists to provide master of arts degrees and a doctor of philosophy degree for those who desire preparation for full-time Christian ministry. Graduates of these programs have gained competent understanding and skills in the content, theology, interpretation and application of Scripture.

Goals

The student will …
• Mature in scholarship within a variety of disciplines related to biblical studies.
• Mature in communicating biblical truth, especially via academic writing and expository preaching.
• Mature in critical thinking and assessment of theological concepts and movements.

Master of Arts Degree, Bible Major

In support of the Division of Graduate Studies commitment to equip students with competent understanding and skills in the content, theology and interpretation of Scripture, the Master of Arts degree in Bible is designed for those who plan to teach or preach the Word of God, as a foundational step for those who wish to pursue the Master of Divinity degree or the Doctor of Philosophy degree, and for those who seek a solid biblical foundation in preparation for serving as non-pastoral Bible teachers, counselors, missionaries, teachers in Christian schools and lay leaders in local churches. The degree is designed to equip students to handle the text of Scripture accurately.

The Master of Arts in Bible is offered with three concentrations: Bible Translation, Biblical Languages, and Theology.

• A Bible Translation Concentration offers preparation for a ministry of translating the text of Scripture for people groups around the world. It includes the study of linguistics, the languages of the Bible, and the process and tools of Bible translation. Students begin the program in June of even-numbered calendar years or in September of odd-numbered years. The Master of Arts in Bible with a concentration in Bible Translation requires 45 credits.
• A Biblical Languages Concentration offers preparation for teaching and preaching ministries, or for further academic pursuits, that warrant special focus on handling both of the original languages of Scripture. The Master of Arts in Bible with a concentration in Biblical Languages requires 31 credits.
• A Theology Concentration offers preparation for teaching and preaching ministries, or for further academic pursuits, that warrant special focus on handling the theological dimensions of Scripture. The Master of Arts in Bible with a concentration in Theology requires 32 credits.

Program Learning Outcomes

The student will …
• Translate and exegete texts from the Greek New Testament.
• Create a theological outline of his beliefs.
• Critique critical theories concerning biblical introduction.

The candidate should anticipate a minimum of two years of resident coursework beyond the master of arts degree and an additional two years minimum for the completion of his comprehensive examinations and dissertation. A maximum of seven years is allowed for the completion of this degree.

The PhD in Theological Studies consists of 53 credits of core courses and 43 credits in a chosen concentration. The three concentrations are Biblical and Systematic Theology, Old Testament Interpretation and New Testament Interpretation. Those choosing a concentration in Old Testament or New Testament Interpretation should anticipate advanced studies in classical Hebrew or Koine Greek as a major component of their doctoral curriculum.

Admission

The prospective graduate student in the School of Fine Arts & Communication should consult the information on both general admission and admission to graduate work in the introductory section of this catalog. A bachelor’s degree from a recognized college with 70 credits of liberal arts courses is required before the student will be considered for admission to graduate school. The student should have a 2.5 grade point average based on a four–point scale.

The Fine Arts graduate program deadline for admission is April 1 for the fall semester and October 15 for spring. This requires submission of all admission materials, including application, graduate audition or interview, and any program–specific requirements.

For the Master of Music and the Master of Music Education degrees, the student must have a bachelor’s degree with a major concentration of 30 credits in music. Prospective graduate master of music education students must arrange for an interview with the music education faculty.

Prospective graduate music students must arrange for an audition or send an audition tape prior to admission. In addition, composition students must submit a portfolio of original compositions.

For the Master of Arts degree in the Division of Communication, the student must present a minimum of 12 credits of acceptable undergraduate credits in his proposed major field, which courses must be equivalent to those required for the bachelor’s degree in this field at Bob Jones University.

Prospective graduate Theatre Arts students must submit a creative resumé of applicable theatre and performance experience, a statement of career goals, and a letter of recommendation. Prospective graduate Communication and Theatre Arts students must submit an academic writing sample and arrange for an interview with the graduate faculty.

Deficiencies either in general academic background or in the field of concentration must be removed before the student can become a candidate for an advanced degree. Students with 13 or more credits of deficiencies may be accepted as a postgraduate special student making up deficiencies. After deficiencies have been reduced to 12 or fewer credits, students will be reevaluated for graduate consideration. Art deficiencies must be completed before submitting the portfolio. All transfer students must take two semesters of Bible. In certain cases, 6 credits of approved graduate work may be transferred from a recognized graduate school.

Curricula and Requirements

One year of residence, along with the completion of a creative project, thesis, or other approved project is required. The maximum full-time load for a graduate student is 16 credits per semester.

The Master of Music student majoring in Performance must present a public recital between 50 and 70 minutes in length before graduation. Piano Pedagogy students present two recitals: a lecture recital or an ensemble recital during one year and a 40–50 minute solo recital the other year. For the student majoring in Church Music, a public recital 40–50 minutes in length is required before graduation. Conducting principals will prepare and conduct a public choral concert 40–50 minutes in length in lieu of a solo recital. Composition principals will present a public recital of original compositions and/or arrangements in lieu of a solo recital. No recital is required for the Master of Music Education degree.

A student majoring in Voice must have taken one year of undergraduate French, German, or Italian or must take one year of one of these languages concurrent with his graduate studies. He must be able to demonstrate correct pronunciation of all three languages.

Students seeking admission to the Master of Music program in Performance, Piano Pedagogy, or Church Music must present an audition at Bob Jones University or contact Admission for graduate audition information if conditions prevent a live audition. (Those wishing to pursue the Master of Music degree in Church Music with a choral conducting principal must audition in person.) In addition, prospective composition principals must submit a portfolio of at least three short works (comprising at least eight minutes of music), must have successfully completed the following undergraduate courses: MT 409, 501, 502 and 504, and must successfully pass the Music Theory Placement Test. Master of Music Education candidates must demonstrate senior–level ability in one performance area. Repertoire requirements for all auditions may be obtained from the dean of the School of Fine Arts & Communication. The audition must be completed before being considered for admission.

Applicants for teaching assistantships should submit a 20- to 25-minute digitally recorded segment of their teaching a private lesson (child or adult). A letter of recommendation from a private teacher or a teacher of a pedagogy course that the applicant has taken should be included with the videotape.
It is, of course, understood that a student who is admitted to candidacy for a graduate degree shall maintain a high level of achievement and scholarship, which shall be demonstrated by his earning an average of B in the work he takes while registered as a graduate student. A maximum of 6 credits of C grades may be applied toward the requirements of the masters' programs. Furthermore, a grade of D or F disqualifies a student as a candidate for an advanced degree.

**Residence Requirements**

Any master's degree student who interrupts his enrollment for more than twelve months, having completed twenty of the required credits for his degree, must complete the remaining credits within three years of his last residence, or he will be required to complete 9 credits in addition to the degree requirements before the degree can be conferred. If the work is not completed within five years, the student will not be eligible for the advanced degree.

**Standards for Projects and Theses**

All graduate papers and theses are to be prepared according to the *Publication Manual of the American Psychological Association* (6th ed.), the form being adapted to the particular kind of writing to be done. The graduate student should thoroughly understand the proper technical form for his graduate papers early in his program. In addition, the graduate student must present his thoughts and research in an acceptable and correct grammatical style. Mere technical form is not enough; the material should reflect the high quality of research and knowledge expected of graduate students.

All theses or special projects prepared as part of the requirements for university degrees automatically become the property of the University and may not be published or reproduced without the consent of the University. All graduate projects must be completed and approved and the registrar notified of the completion by April 15 for May graduation or by July 15 for August graduation. Graduate Fine Arts and Communication faculty are not available to students from the end of summer school through the week of registration in the fall or during the Christmas break.

Any student who has completed all the requirements for any graduate degree, with the exception of his thesis or special project, must be registered in the University each semester until the thesis or project is completed and approved.

**Master of Music Degree, Church Music Major**

The Church Music major provides advanced preparation for using music in the overall ministry of a local church (e.g. congregational singing, adult choir and vocal ensembles, youth–children's choir, instrumental music, music in evangelism). In this program the student advances in a principal performance area (voice, instrument, choral conducting or composition) and performs a recital of standard literature. The student also advances in the study of music theory, music history, hymnology, and children's choirs. The program requires 31 credits and supports the University's mission of building Christlike character in the student.

Students seeking admission to the program with a voice, piano, organ, or orchestral instrument principal must present an audition at Bob Jones University or contact Admission for graduate audition information if conditions prevent a live audition. Those wishing to pursue a choral conducting principal must audition in person.

All graduate students in the Division of Music must take the Music Theory Placement Test. Those not passing this test will register for MT 499 (Theory Review). Graduate credit is not available for this remedial class.

Conducting and composition principals must demonstrate senior–level ability in one performance area. Composition principals must submit a portfolio of original compositions and must successfully pass the Music Theory Placement Test. Failure to pass this test will remove the student from the composition principal.

Orchestral Instrument principals include: bassoon, cello, clarinet, double bass, euphonium, flute, horn, oboe, percussion, saxophone, trombone, trumpet, tuba, viola or violin. Instrumental students will be required to hold membership in the orchestra, band, or an instrumental ensemble.
Program Learning Outcomes

The student will …
- Perform a recital at an advanced level reflecting a synthesis of music history, literature, theory and applied technique (voice, instrument, conducting or composition).
- Research and critique various historical applications of theological concepts in gathered Christian worship.
- Apply a wide range of vocal pedagogy and conducting techniques appropriate for use in children’s and adult choirs in the context of gathered Christian worship.

Graduate programs leading to the Master of Science degrees are designed for preparation for counseling, administration, and teaching in private elementary and secondary schools, and college-level school positions.

Admission to Graduate Programs

The following prerequisites apply to all graduate programs in the Division of Graduate Studies in the School of Education: (1) a bachelor’s degree from a recognized college or university which includes 70 credits of liberal arts and (2) a 2.5 grade point average based on a four point scale. Prerequisites apply to the various degree programs offered and are detailed below. Undergraduate degrees earned primarily by correspondence or external studies are not recognized as a basis for graduate studies in the School of Education. Deficiencies either in general academic background or in the field of concentration must be removed before the student can become a candidate for an advanced degree. Students with 13 or more credits of deficiencies may be accepted as a postgraduate special student making up deficiencies. After deficiencies have been reduced to 12 or fewer credits, students will be reevaluated for graduate consideration.

Prerequisites for the Master of Education degree in Teaching and Learning include a bachelor degree with an elementary or secondary teaching field or one year teaching experience in a traditional K–12 traditional classroom; Ps 201 Educational Psychology or its equivalent; Ps 300 Child Psychology or Ps 302 Adolescent Psychology; and Ps 305 Introduction to Exceptional Learners. Courses to fulfill requirements for this degree may be taken in residence during the academic year and/or online via distance learning.

Prerequisites for the Master of Science degree in Educational Leadership include 9 credits of education and/or psychology (including Ps 201 Educational Psychology).

Prerequisites for the Master of Science degree in Biblical Counseling include 9 credits of Bible. Courses to fulfill requirements for this degree may be taken in residence during the academic year and/or online via distance learning.

Quality of Work

It is, of course, understood that a student who is admitted to candidacy for a graduate degree shall maintain a high level of achievement and scholarship, which shall be demonstrated by his earning an average of B in the work he takes while registered as a graduate student. A maximum of 6 graduate credits of C grades may be applied toward the requirements of an advanced degree. Furthermore, a grade of D or F disqualifies a student as a candidate for a master’s program.

Enrollment

The Master of Science and Master of Education degrees require successful completion of 30 graduate credits. Any master’s degree student who interrupts his enrollment for more than twelve months, having completed fifteen of the required credits for his degree, must complete the remaining credits within three years of his last class or he will be required to complete 9 credits in addition to the degree requirements before the degree can be conferred. If the work is not completed within five years, the student will not be eligible for the advanced degree.

Leadership Partnership Program

To help meet the need for qualified, well-educated administrators in Christian schools, BJU has three levels of financial assistance for those currently serving as administrators or those who wish to train to assume such a role in the future. For further information contact the Director of Financial Aid at ext. 3037.

University Educators Association

The University Educators Association (UEA) is an integral part of the School of Education. The programs and activities are correlated very closely with the emphasis of the individual classes. This organization provides opportunities for all education students to secure leadership training and many professional contacts. Each of the professional education departments appoints representatives to serve as officers, and departmental meetings are part of the UEA programming. All prospective teachers are urged to become members of UEA. Two major activities are featured each year. Introduction to the World of Special Olympics is a special program for the disabled children in attendance at Washington Center School. These students are transported to the university campus for daylong activities during the first semester of each year. The second program is a field day conducted in the spring for the students at Bob Jones Academy.

Approximately 325,000 volumes are housed in the collection, and over 970 current periodical titles are received. In addition, over 22,000 music, speech and language recordings are available in departmental library rooms elsewhere on the campus.

The Library features the Millennium online catalog and an automated circulation system supported by Innovative Interfaces. These units provide an integrated system and access to other library catalogs from one of the 40 public access stations. Books not held in our library may be obtained by interlibrary loan through OCLC, a national database. In addition, students have access to the Internet from 38 public access stations which provide online searching for magazine and other information in over 100 databases. The Fundamentalism File contains over 120,000 articles on religious subjects and secular topics from a religious perspective.

The **Museum & Gallery at Bob Jones University** houses one of the foremost collections of old master paintings in America. Renowned and respected around the globe by art scholars and museum professionals, the Museum & Gallery exists to promote the appreciation, understanding and preservation of quality fine art that reflects universal and scriptural truths based on God’s Word and works. M&G extends its collection into communities at home and abroad through its educational and cultural outreaches that enrich the whole man—mind, heart and soul.

The collection of old master paintings contains representative works of Flemish, Dutch, German, French, Italian and Spanish painting from the 14th through 19th centuries. Among them are outstanding examples from the brushes of Tintoretto, Veronese, Botticelli, Preti, Remi, Le Brun, Gerard David, Cranach, Murillo, Ribera, Rubens and van Dyck.

Period furniture and statuary afford interesting sidelights on the other arts as well as a look into the life and times contemporary with the over 400 paintings in the collection.

M&G also houses the **Bowen Collection of Antiquities** which contains the varied display of biblical antiquities from the collection of the late Mr. and Mrs. Frank Bowen. This excellent collection displayed on a rotating basis, presents an unusual opportunity for systematic study of the Bible in light of archaeology.

As a visual library and valuable resource, the Museum & Gallery presents a record of the culture, religion and history of ages past, beginning in Bible times and extending through the 19th century. Approximately 20,000 people visit this remarkable collection each year. Thousands of students, families and adults participate in M&G’s educational offerings and cultural outreaches such as the annual Living Gallery presentation, music recitals, focus exhibitions, children’s programs, guided tours, membership program and more. Through its educational efforts and collection, including its satellite the M&G at Heritage Green location in downtown Greenville, M&G continues to extend its reach beyond its campus family and into the surrounding community, beyond its national borders and into international circles. Students in any field, art-related or not, benefit from the rich legacy the collection provides.

**Performance Hall** contains classrooms for dramatic production courses, a design studio and a 150-seat laboratory theater designed to present student productions in prosenium, arena or thrust-stage styles. Also housed in this area are music practice facilities for women students.

**Residence Halls** at Bob Jones University are staffed by a residence hall supervisor and two residence hall counselors. There are five men’s and five women’s residence halls for single students. Residence hall rooms are fully carpeted and air-conditioned and provide computer connections to the campus network.
room is outfitted with a telephone and built-in furniture (two student desks, two bunk bed units, overhead and hanging closet space, and built-in drawer space). Each residence hall also provides a study lounge. Some residence halls are equipped with handicapped access. In order to keep the facilities up to date, each residence hall is maintained and refreshed on a regular basis. To aid campus security, certain residence hall doors are accessible only by student ID cards, and all outside entrances to the residence halls are monitored by video surveillance equipment.

Spacious covered walks connecting most of the major buildings provide protection from the weather for students moving from one building to another.

Rodeheaver Auditorium is one of the finest collegiate stages in the United States. The mechanical equipment of the building includes two contour curtains, a revolving stage, over 40 fly lines, and orchestra and stage lifts—making it one of the best-equipped theaters in the Southeast. Seating over 2,600, the building also houses the scene shop, various storage areas, an extensive collection of costumes from various university productions, as well as dressing rooms and property rooms. A 57-ranked Zimmer pipe organ is located in this hall. Forty-three digital stops were added to the instrument in 2004. In addition, Rodeheaver Auditorium houses Unusual Films, BJU’s award-winning film production studio.

The University Cleaners does the linen service for various campus departments, as well as dry cleaning, laundry and shirt service for the faculty, staff, students and community.

In Unusual Films, Bob Jones University has one of the most effective media today of spreading the Gospel throughout the world. This up-to-date, excellently equipped motion picture studio centers on a large sound stage complete with professional cranes and multidirectional dollies, cameras, microphone perambulators, catwalks, arc and incandescent lights, lighting accessories, and still photography equipment and laboratories. Conveniently located near the sound stage are studios for makeup and hairstyling, wardrobe, film and non-linear video editing, sound recording, re-recording and scoring, 2-D and 3-D animation, set and costume design, scene drafting and construction, film distribution, projection computer lab, and classroom facilities.

Since its organization in 1950, Unusual Films has established an outstanding record in the production and distribution of its films which are being shown in all parts of the world. One of its most celebrated film releases has been Wine of Morning, a two-hour, full color, first-century story that was selected to represent America at the International Congress of Schools of Cinema at the Cannes Film Festival. Since then, Unusual Films has produced, in addition to numerous shorter films, six more feature-length productions: Red Runs the River, a 90-minute film dealing with the personal conversion of one of the historic generals of the Civil War; Flame in the Wind, presenting a strong gospel message against the background of the Spanish inquisition; Sheffey, the moving story of a circuit riding preacher known for his power in prayer; Beyond the Night, a missionary film telling the story of the powerful testimony of a missionary doctor in Africa; and The Printing, the story of secret Bible printing in the Soviet Union on the eve of perestroika. The most recent children’s productions are The Treasure Map, Appalachian Trial and Project Dinosaur, three dramatic adventure films designed to appeal to children, and The Golden Rom, Farmer Dillo Paints His Barn, and Farmer Dillo Counts His Chickens, all of which are animated stories. Unusual Films’ most recent feature-length film, Milltown Pride, is set in a 1920’s textile mill village and depicts the story of a young man’s dream to play baseball and his willingness to sacrifice anything to make that happen.

Unusual Films serves as a laboratory for cinema students who wish to receive professional training in all phases of Christian and educational motion-picture and video production and in the field of still photography. Cinema majors, as well as any student in BJU, may gain experience in the various aspects of production, and cocurricular credit may be earned by such participation.

Because of the strong Christian emphasis and the serious approach to the work on the part of Christian young people who feel a definite call of God to this field of service, because of the motion picture equipment and facilities, because all fine arts are given without additional tuition, because of the teacher-training background of the Unusual Films staff coupled with a knowledge of motion pictures, and because of the practical experience given students, Bob Jones University is better prepared than any other university in America to train Christian young people who are seriously interested in cinema and video.

The purpose of Unusual Films to win men and women to Jesus Christ is epitomized in the motto which hangs on the sound stage wall: 1 Cor. 9:22—“I am made all things to all men, that I might by all means save some.”

The War Memorial Chapel contains a series of huge canaves painted by Benjamin West depicting scenes from the Old and New Testaments—a part of the intended decoration for the chapel at Windsor Castle. The hall also contains a 19-rank Wicks pipe organ.
Student Life

Attendance

For the purpose of leaving the city of Greenville, a student may be absent from class according to the attendance policy if his academic average is satisfactory and if the proper permission has been secured. No student may be away during the following times:

1. within two weeks following the beginning of first semester,
2. the ten days before Thanksgiving break begins,
3. within three weeks of Christmas vacation,
4. within two weeks following the beginning of second semester,
5. during the Bible Conference week,
6. within three weeks of commencement.

Professors may require that class work be made up in advance if classes are missed.

A student is required to attend all classes, assemblies, etc., unless he is otherwise excused; and he is required to be on time. The details of the regulations regarding these matters are amplified in the Student Handbook which is distributed each year to the students.

Housing

All single students under 23 years of age, except those residing with their parents or close relatives in the local community, are expected to live in the university residence halls. Students must supply their own textbooks and school supplies, as well as their own bed linens, twin bed mattress cover, blankets, pillows and towels. We suggest that students wait until they arrive before purchasing minor room furnishings such as curtains.

BJU, through the Office of Student Services, lends all possible assistance to married couples in locating housing in the area.

Standards of Conduct and Discipline

The mission of Bob Jones University is to help students develop Christlike character that is manifested in a scripturally disciplined life, service to others, love for God, sharing of the Gospel and biblical discernment about what God values for eternity. Accomplishing the mission requires an edifying campus atmosphere and an environment that promotes spiritual growth. Maintaining a desired campus atmosphere necessitates a discipline system to which all students submit themselves and hold each other accountable. BJU bases its system of accountability and correction on the functions of Scripture taught in 2 Timothy 3:16—teaching, reproof, correction and training in righteousness.

Formal discipline at BJU is administered by a committee of administrators, Student Life staff, and student leaders. Students who accumulate 150 demerits during a semester are suspended. If a student demonstrates an unwillingness to pursue a Christian testimony and our educational mission, BJU retains the right to deny that student further enrollment or to deny him his degree.

Through its discipline system, BJU seeks to lovingly verbalize the truth in order to instruct, warn, rebuke, restore and develop Jesus’ disciples and to apply God’s Word to help develop “complete” Christians fully equipped for every good work (2 Tim. 3:17). Faculty and staff should be involved in students’ lives, and students are involved in each other’s lives. The campus community pledges together to help each other grow and hold each other accountable with the goal of encouraging the spiritual success of every individual on campus.

Student Activities

Concert, Opera & Drama Series and Recitals

Each year the University Concert, Opera & Drama Series presents programs by the world’s leading solo artists and ensembles, as well as productions of opera and Shakespeare. The student program fee provides each full-time student with a season ticket. In addition, the Divisions of Music and Communication present recitals and concerts by students, members of the faculty and BJU music organizations.

Bible Conference

The annual spring Bible Conference is one of the outstanding features of the university year. Extending for six days, the Conference brings to the campus America’s outstanding fundamental Bible teachers, pastors and evangelists. All regular academic work is suspended for the Bible Conference.

BJU Heritage Day

One day is set aside each year in late October to remember the rich heritage of Bob Jones University. The blessing of God upon BJU is evident in the lives of the many godly men and women who have served as the faculty and staff since the University’s founding. The day features a special chapel service that includes personal memories of Dr. Bob Jones Sr., Dr. Bob Jones Jr., and the many others who have been vital to the history of this ministry. These vignettes often include video and audio clips from the early days of BJU.
Chapel Services
One of the most interesting features of Bob Jones University is the 35-minute chapel service held every morning Monday through Thursday. These services are a source of great inspiration to students. Four days a week the chapel message is brought by the president, an administrator, a faculty member or a guest speaker. Each Friday the chapel period is devoted to the meetings of various societies, vespers or Biblical World View Forum.

Church Attendance
All students are asked to attend at least two services per week at an independent, fundamental church in the community.

Day of Prayer
Once each semester, classes are canceled and a day is devoted to prayer and praise. The schedule varies, but includes sessions where students and faculty and staff members gather by groups to share requests and pray.

Missions Emphasis Week
One week in the school year is set aside for a special missions conference called Missions Emphasis Week. BJU brings to its chapel platform an outstanding missionary speaker for this event. Representatives of many well-known fundamental mission boards come to the conference to promote missions and to confer with potential missionary candidates.

Outreach Ministries
BJU has over 100 outreach ministries in which students spread the Gospel in the community and surrounding region. Students minister in local churches, nursing homes, children's clubs, community center and many other ministries, reaching out each week to people through evangelism, discipleship and encouragement. This ministry of BJU’s students to the greater Greenville area has been a tremendous asset to pastors and churches and a great opportunity for the students to learn as they train to serve the Lord.

Soul Winning Conference
Before Christmas break, a guest chapel speaker brings a series of messages to inspire and instruct students and faculty to improve their witness for Christ to the lost. The BJU family leaves motivated to use their opportunities during the holidays to win souls for Christ.

Vespers
Presenting faculty and students in a sacred program, the Vespers service is probably the best known of all religious services of Bob Jones University. Occasionally, a religious drama is presented. These services, both devotional and cultural, attract many visitors.

Student Organizations

Art and Design Forum
The Art Forum exists to give art students opportunity to gain broader understanding of their field of study outside the classroom. Professional artists, gallery curators, retail art dealers and designers present practical information about their work experiences. The format includes panel discussions, question-and-answer sessions, video or slide presentations and lectures. Subjects vary and may include art philosophies, pricing, art techniques, minority artists, job opportunities, artist demonstrations and critiques. Four sessions are scheduled throughout the school year.

Choral Program
The choral program at BJU exists to support the growth of the Christian student into the image of God and to equip him to use music for the service of God. The developmental program is comprised of multiple-graded choirs. All students are welcome to audition and are placed according to their classification and abilities. Singers are re-auditioned periodically to determine proper placement. The program consists of seven choirs: University Singers, Conductors Chorus, Collegiate Choir, Concert Choir, Lyric Choir, University Chorale and Chamber Singers. Performance venues include concerts of standard choral literature and church music, Vespers, oratorio and the annual opera. Each participant will have the opportunity to reach his individual technical and artistic choral potential within a program that strives for the highest level of musical excellence.

Classic Players
The Classic Players is one of the outstanding college Shakespearean repertoire groups in the world. Membership is open to students who show the requisite ability in public auditions. Two major productions are presented each year, including such great plays as Hamlet, Julius Caesar, Macbeth, The Merchant of Venice and other plays covering the great majority of the Shakespearean repertoire.

The Collegian
Bob Jones University’s student newspaper, The Collegian, was founded in 1987 as a journalism lab, offering students hands-on experience in producing a weekly publication. Students write and edit articles, design the layout, and take photographs for the paper, which boasts a circulation of 4,000. Stories in The Collegian focus on campus personalities and student
life, helping to unify the large and diverse student body. The paper is distributed free on campus and on the Internet.

Community Service Council
Community Service Council is an organization made up of students who volunteer their time to various service projects in the community in order to demonstrate the love of Christ. In the past years they have been engaged in cleaning up area parks and neighborhoods, assisting at children's activities such as Special Olympics and fall festivals as well as sponsoring an on-campus blood drive. The CSC has received local, state and national recognition for its volunteer efforts in contribution to the city of Greenville.

Instrumental Program
The instrumental activities program at Bob Jones University exists to educate Christian musicians broadly in wind and orchestral literature; to challenge them to strive for the highest level of musical development; to motivate them to serve God and others through the artistic and disciplined use of this medium; and to inspire them to excellence in performance as a display of God's glory and His gifts to man. The program consists of two bands, Symphonic Wind Band and Concert Band; two orchestras, Symphony Orchestra and Chamber String Orchestra. In addition, chamber ensembles provide opportunity for specialized performance. Performances include concerts of standard literature and church music, Vespers, oratorio and opera, in addition to special performances such as recording and touring. All students are welcome to audition and are placed according to their classification and abilities. Players are re-auditioned periodically to determine proper placement. Each participant will have the opportunity to reach his individual technical and artistic.

Ministerial Class
This association is composed of university men students preparing for a full-time Christian ministry. The ministerial class is led by the director of Ministerial Training and meets each week for instruction. The university chancellor, president and other leading fundamental religious leaders of the world address this class. Besides specified reading and class work, each student engages in practical ministerial work during the school year and in the summer months.

Mission Teams
Each year students have the opportunity to minister in other regions of the world by participating in one of BJU’s summer mission teams. Students prepare throughout the year and raise their own financial support. Teams go to various countries spanning the globe using trade skills, music and preaching/teaching to reach the lost with the Gospel and to challenge the team members to consider their lifelong level of involvement concerning the Great Commission. Each fall one chapel service is set aside for the promotion of summer mission teams.

Missions Advance
Missions Advance exists to cultivate in the student body a passion for God’s glory resulting in greater participation in world missions through learning, praying and mobilizing. Learning: by inviting speakers, giving presentations and providing missionary letters to better inform students’ prayers. Praying: by spending a majority of the meetings interceding for God’s work around the world and for God to send laborers into His harvest. Mobilizing: by offering avenues through which the student body can be involved in mission work while in school.

Opera Association
Opera productions are presented each year, often with guest artists featured in the principal roles along with student and faculty soloists. Supporting roles and chorus parts are performed by students who show requisite ability.

University Ministry Teams
Student groups, carefully selected for their vocal, instrumental or speech abilities, tour throughout the United States for several months each year representing BJU through unique presentations of sacred music and Christian drama.

Vintage Staff
The Vintage, “a season’s produce” by definition, is BJU’s yearbook. The staff, whose responsibility it is to produce this annual publication, is composed of students from varied academic divisions and classifications. Colorful, uniquely photographed and beautifully bound, the annual mirrors not only classes and activities but also the student body’s worthy goals and Christian philosophy of life.

Any full-time student who is registered for and remains through both the fall and spring semesters in any regular school year will receive a copy of the Vintage without charge. Any student who does not remain for two full semesters is not entitled to receive a yearbook.

WBJU
WBJU-FM is BJU’s student-staffed radio station. The station broadcasts seven days a week to provide the student body with a variety of sacred, classical and easy-listening music, as well as informative news and sports talk programming. The station is mainly staffed
by students who have an interest in broadcasting. They are responsible for producing, scheduling, announcing and marketing the station's content. Residence hall students may listen to WBJU on 104.5 FM or stream live at WBJU.home.bju.edu.

WBJU-TV is the student-staffed television station. The station provides the campus with national, local and campus news plus sports highlights, weather and campus announcements throughout the day. The station provides students with opportunities to be anchors, reporters, producers and technical crew members on a variety of television programming produced in the Journalism and Mass Communications studios. Students may watch WBJU-TV at the Snack Shop, Fine Arts Center, Fast Break, Fitness Centers and residence hall viewing areas.

WBJU-Online is the station's website that is available over the campus intranet. Students can access news, weather and sports. Students can also watch WBJU-TV video content or listen to WBJU.

Student Opportunities

Students may develop their talents through participation in a wide variety of music and speech activities that are open to anyone at BJU, regardless of his major. The university stage productions, such as the Shakespearean plays, operas and fully staged Vesper programs utilize the music and speech talents of hundreds of students. The University's film production unit, Unusual Films, often calls on the university student body for participation in the many aspects of motion picture production.

Academic Resource Center

The Academic Resource Center seeks to assist students in achieving academic excellence by providing a variety of services and resources to support students' academic goals. The Academic Resource Center offers the following services: Academic Coaching, Study Groups, Tutor Referral, Writing Center, Educational Technologies, Testing, and Academic Accommodations.

Academic coaches are trained to help students in the areas of time management, study and test-taking skills, organization, note taking, goal setting, and knowledge of learning styles. With the support of an academic coach, students create an academic action plan which is implemented, reflected on, and revised throughout the semester.

Study groups provide a forum for students to work together to reinforce their understanding of specific course content. Each session provides opportunities for collaboration and extends learning beyond the classroom.

Tutor referral assists students who are seeking individualized tutoring sessions for specific college and pre-college courses. Tutors for hire include upper-classmen and graduate students, as well as faculty and staff (both current and retired).

The Writing Center provides one-on-one guidance to students who want to become more effective, confident, and independent writers. Highly trained fellow writers consult on documents from all academic disciplines. Writing resources are also provided for individual use.

Educational Technologies supports students and faculty in the selection, design, production, and use of instructional media and technology.

Testing provides a centralized, secure proctoring environment for test administration.

Academic Accommodations provides a personalized support system to students with documented learning disabilities by establishing reasonable academic accommodations and offering individualized academic assistance. To receive assistance from Academic Accommodations Services, students with learning disabilities must provide a current evaluation report from a qualified examiner. Students with physical disabilities or hearing or visual impairment must provide official documentation from an appropriate medical physician documenting the disability and its effects on academic achievement. An individualized accommodations plan will be created and implemented for all students qualifying for this service.

Office of Student Services

The Office of Student Services, located in the Office Annex, assists students with employment and off-campus housing. Those in the Student Work Program are assisted in locating on-campus employment, and others can check the help-wanted listings on the BJU intranet for information about off-campus jobs. The office maintains a file on housing in the Greenville area for use by both students and graduates. In addition, students needing shuttle service to the Greenville-Spartanburg Airport at Thanksgiving break or at the end of a semester may check the BJU intranet for sign-up instructions.
