

MAJOR CHOSEN: COSMETOLOGY MANAGEMENT

I. A BRIEF DESCRIPTION OF THE MAJOR

This major will prepare you to become a licensed cosmetologist and can lead to an Associate of Applied Science degree. After gaining appropriate experience, this program will prepare you to excel in your field and eventually manage and own your own shop. You may also be prepared to teach cosmetology. Your training is accomplished through classroom instruction and "on-the-job" training. Our program includes a minimum of 1,500 hours of theory and practical work, as required by the South Carolina State Board of Cosmetology.

II. COURSE HIGHLIGHTS

Here are some of the courses you will especially enjoy:

Hair Shaping This course will teach you how to shape hair with the use of shears, razors, and clippers. You will learn how to shape the hair to flatter different face shapes, as well as which implements work best with the different hair textures. By second semester of your first year, you will be ready to work on customers during salon time.

Facials and Make-up Here you will study the structure, functions, conditions, etc., of the skin. Along with the principles of makeup application, you will learn how to perform a professional facial.

Hair Coloring In this course you will learn the analysis of hair and the chemistry of color, including temporary, semi-permanent, and permanent colorings, highlighting and foiling, toners, and corrective work.

Chemical Waving and *Chemical Hair Relaxing* These areas of study will teach you how to alter the amount of curl in the hair by using chemical agents. In Chemical Waving, you will learn the principles of rolling a permanent wave, along with specialty perms, such as spiral and piggyback. In Chemical Relaxing, you will be taught how to reduce excess curl from overly curly hair, and how to give a wave with the desired amount of curl. You will have thorough training in these areas as well as profitable hands-on experience working with clients.

III. A TYPICAL YEARLY COURSE SEQUENCE

This is a suggested program of study for you. You understand that other refinements to your program can be made when you consult your faculty advisor at the time of your enrollment.

You will notice that some courses are listed as electives. These electives give you the opportunity to tailor your program by selecting courses you would like to take for your own personal enjoyment.

After completing the Associate of Applied Science degree in Cosmetology Management, you have the option of pursuing the Bachelor of Arts degree in Practical Christian Training.

IV. FACILITIES, EQUIPMENT, AND OPPORTUNITIES

A beautiful, well-equipped cosmetology lab (with 17 stations, 6 shampoo bowls and chairs, and 8 dryer chairs) is arranged in salon-like fashion and is located in the lower level of one of our girls' residence halls. A major portion of your learning experience will take place here.

A cosmetology library, study lounge, and classroom provide space for instruction in theory and research.

Mission Prayer Band is an organization designed to stimulate missionary zeal and vision on campus. The organization is divided into two groups, one for men students and one for women students. These groups hold regular prayer meetings in which the needs of the missionary cause around the world are made a matter of systematic prayer.

The annual spring Bible Conference is one of the outstanding features of the University and Academy year. Your regular academic work will be suspended for the Conference, during which you will hear messages from outstanding Bible teachers, pastors, and evangelists.

Chapel is a central feature of Bob Jones University. This 35-minute service is held every morning, Monday through Thursday. These services are a source of great inspiration to students. Four days a week the Chapel message is brought by the President or by selected speakers. Each Friday the Chapel period is devoted to the meetings of various literary societies.

Davis Field House, with over 87,000 square feet and seating for 3,000 people, contains 4 full-sized courts; auxiliary courts; indoor and outdoor tracks; swimming pool; café; and a fitness center with fully-equipped exercise room, aerobic room, sauna, and whirlpool.

Completely equipped computer laboratories are available for your use. There are many academic computer labs conveniently located all over campus. They consist of various types of PCs, Apple PowerMacs, and laser printers and are all interconnected via a Novell computer network.

The Mack Library, with 90,000 square feet of floor space and seating for over 1,300 students, gives you access to 294,000 volumes, 1,100 current periodical subscriptions, and more than 17,000 music, speech, and language recordings. Mack Library offers access to over 65 electronic databases on the library web site. An interlibrary loan program is available through OCLC, a national database, for books not held in our library. Other prominent features include the Jerusalem Chamber, a replica of the room in Westminster Abbey in London in which work was done on the 1611 King James Bible, and the University Archives Room which displays materials about the Founder and history of the University.

If you are planning to live on campus, you will be glad to know that all of our residence halls are air-conditioned, have wall-to-wall carpeting, and have a phone in each room. You will be able to make long-distance calls directly from your room and have them automatically placed on your school bill. Computer network connectivity is available in all residence halls, as well.

All of our classrooms are air-conditioned. The Dining Common serves 8,500 delicious meals a day, and the Snack Shop and Bookstore in the Student Center carry just about anything you'll need.

You will find the finest Christian young people in the country are your fellow students, and without trying too hard, you may end up making a life-long friend!

V. ABOUT THE FACULTY

You will learn from faculty members who are licensed cosmetology instructors with vast experience in hairstyling and salon management.

VI. CAREER OPPORTUNITIES AND PLACEMENT

The demand for cosmetologists is well known. In addition, graduates in this major may pursue careers as cosmetic buyers or sales representatives, be haircutters for style shows or Christian school productions, and with additional experience and education, become cosmetology teachers, or salon managers.

VII. BJU: AN AFFORDABLE EDUCATION

Enclosed is an expense sheet detailing the cost of attending Bob Jones University. When you compare our charges to those of other private colleges, we think you will be pleasantly surprised. We believe we offer a student more value for his dollar than anyone else in America. And to help you see how affordable "the Opportunity Place" can be for you, we have enclosed a financial aid brochure that you can use to evaluate your own situation. Your Admissions Counselor or the Director of Student Financial Aid would be happy to discuss this with you if you have any questions.

HOW TO TAKE THE NEXT STEP . . .

If you can see yourself in the career described in the profile, then a great opportunity awaits you at Bob Jones University. It is the opportunity for the premier Christian college experience in all the world. It is the opportunity for learning, for fun, and for developing new friendships. It is the opportunity to prepare for a lifetime of service for the Lord . . .

The Opportunity Place . . . God's Special Place for You.
