**In the Ministry Resource Center** you will find a Christian periodical and tape library, duplicating equipment, complete topical files, and a wide variety of audiovisual materials and equipment. This laboratory is maintained for your class and extension use.

**Mission Prayer Band** is a campus organization designed to stimulate missionary zeal and vision. Students gather four times weekly to systematically pray for the needs of the missionary cause around the world, and to hear speakers challenge them on mission themes. Four times per year there is a special Missions Spotlight program when a certain field and its needs are specifically in focus.

**The annual spring Bible Conference** is one of the outstanding features of the University and Academy year. Your regular academic work will be suspended for the Conference, during which you will hear messages from outstanding Bible teachers, pastors, and evangelists.

**Girls' Extension Ministries** sponsors a seminar each semester which is designed to help you with your extension ministry and to enrich your personal life.

**Chapel** is a central feature of Bob Jones University. This 35-minute service is held every morning, Monday through Thursday. These services are a source of great inspiration to students. Four days a week the Chapel message is brought by the President or by selected speakers. Each Friday the Chapel period is devoted to the meetings of various literary societies.

**Davis Field House**, with over 87,000 square feet and seating for 3,000 people, contains 4 full-sized courts; auxiliary courts; indoor and outdoor tracks; swimming pool; café; and a fitness center with fully-equipped exercise room, aerobic room, sauna, and whirlpool.

**The Mack Library** covers 89,000 square feet of floor space and has seating for over 1,300 students. It provides you with 318,000 items, including 17,000 music recordings, 70 electronic databases through the library website, and over 1,100 current periodical titles. In addition, the library participates in the statewide PASCAL Delivers program, allowing students to check out books from a statewide catalog of over nine million books. An interlibrary loan program for out of state borrowing is available through OCLC, a national database for books not held in our library. Other prominent features include the Jerusalem Chamber, a replica of a room in London's Westminster Abby in which work was done on the 1611 King James Bible, and the University Archives Room which displays materials about the Founder and the history of Bob Jones University.

**If you are planning to live on campus**, you will be glad to know that all of our residence halls are air-conditioned, have wall-to-wall carpeting, and have a phone in each room. You will be able to make long-distance calls directly from your room and have them automatically placed on your school bill. Computer network connectivity is available in all residence halls, as well.

All of our classrooms are air-conditioned. The Dining Common serves 8,500 delicious meals a day, and the Snack Shop and Campus Store in the Student Center carry just about anything you'll need.
