

MAJOR CHOSEN: BIBLE

I. A BRIEF DESCRIPTION OF THE MAJOR

The Bible major is designed to prepare you to serve as a pastor, evangelist, or Christian worker in an area of service where interpretation and proclamation of the Word of God is a predominant feature. As Dr. Bob Jones, Sr., said many times, we not only teach students how to "*load the Gospel gun,*" but we also teach them how to "*shoot it.*" Here at Bob Jones you will find dedicated Christians who are training for service in a warm, fervent atmosphere. You will learn to distinguish truth from error and the importance of taking a definite stand for the truth.

II. COURSE HIGHLIGHTS

There are seven core Bible classes for the School of Religion majors. These tailor-made classes will take you through the entire Old Testament and New Testament, emphasizing chapter content, interpretation, understanding of problem passages and how to teach and preach each particular type of literature. Here are some of the courses you will especially enjoy:

The Biblical Minister Various facets of ministerial life and work are examined: The man himself, the ministry he performs, the message he preaches, and his motives and methods.

Christian Masterworks You will study the lives and read the works of influential thinkers, analyzing by the Bible their writings, significance, and contributions to Christian thought.

IV. FACILITIES, EQUIPMENT, AND OPPORTUNITIES

Local Church Extension Ministries:

The church internship practicum will place you under the leadership of an experienced, Fundamental pastor. You will receive practical experience and instruction in all phases of the local church ministry.

The extension program provides for the development of student leadership and experience in various types of Christian ministries, such as church visitation, jail services, retirement home ministries, youth work, and child evangelism.

Through the church planting outreach, you may apply for assistance to help plant a Fundamental church. When you have completed Methods of Church Planting and have graduated, the program will provide you with professional guidance and partial financial support during your first two years of establishing an independent, Fundamental church.

Various ministries recruit students from the University each year, especially during the summer months. These outreaches provide opportunities for students to gain valuable and rewarding experience. Some of these groups are the Minutemen Evangelistic Team, Neighborhood Bible Time, numerous camps, and summer mission teams.

Through the summer extension program, you will continue to receive guidance and practical experience in Christian service throughout the summer months. These courses carry two hours credit each summer, and you may take them wherever you may reside during the summer.

Each week approximately 500 ministerial students and those interested in the ministry receive instruction and inspiration about various aspects of the Christian ministry from the University President and other experienced men of God. Twice each week the ministerial students meet separately by classification and receive specialized instruction in soulwinning, preaching, the music ministry, the youth ministry, missions, cults and trends, the church educational program, church finance, the family, and pastoral counseling. Each school year pastors are brought in to teach ministerial students.

In the Ministry Resource Center you will find a Christian periodical and tape library, duplicating equipment, complete topical files, and a wide variety of audiovisual materials and equipment. This laboratory is maintained for your class and extension use.

Mission Prayer Band is a campus organization designed to stimulate missionary zeal and vision. Students gather four times weekly to systematically pray for the needs of the missionary cause around the world, and to hear speakers challenge them on mission themes. Four times per year there is a special Missions Spotlight program when a certain field and its needs are specifically in focus.

Chapel is a central feature of Bob Jones University. This 35-minute service is held every morning, Monday through Thursday. These services are a source of great inspiration to students. Four days a week the Chapel message is brought by the President or by selected speakers. Each Friday the Chapel period is devoted to the meetings of various literary societies.

Davis Field House, with over 87,000 square feet and seating for 3,000 people, contains 4 full-sized courts; auxiliary courts; indoor and outdoor tracks; swimming pool; café; and a fitness center with fully-equipped exercise room, aerobic room, sauna, and whirlpool.

Completely equipped computer laboratories are available for your use. There are many academic computer labs conveniently located all over campus. They consist of various types of PCs, Apple PowerMacs, and laser printers and are all interconnected via a Novell computer network.

The Mack Library, with 90,000 square feet of floor space and seating for over 1,300 students, gives you access to 294,000 volumes, 1,100 current periodical subscriptions, and more than 17,000 music, speech, and language recordings. Mack Library offers access to over 65 electronic databases on the library web site. An interlibrary loan program is available through OCLC, a national database, for books not held in our library. Other prominent features include the Jerusalem Chamber, a replica of the room in Westminster Abbey in London in which work was done on the 1611 King James Bible, and the University Archives Room which displays materials about the Founder and history of the University.

If you are planning to live on campus, you will be glad to know that all of our residence halls are air-conditioned, have wall-to-wall carpeting, and have a phone in each room. You will be able to make long-distance calls directly from your room and have them automatically placed on your school bill. Computer network connectivity is available in all residence halls, as well.

All of our classrooms are air-conditioned, and there are awnings over the sidewalks to keep you dry when it is raining. The Dining Common serves 8,500 delicious meals a day, and the Snack Shop and Bookstore in the Student Center carry just about anything you'll need.

You will find the finest Christian young people in the country are your fellow students, and without trying too hard, you may end up making a life-long friend!

V. ABOUT THE FACULTY

All of our School of Religion faculty members have extensive preaching experience in local churches, and a majority of them have pastoral experience. Several are currently serving as pastors of small (and some not so small) churches on the weekends. They know the problems of local churches, and they are sympathetic to the needs of pastors. One of these faculty members will be your advisor.

The faculty of the School of Religion are highly qualified. The combined teaching experience of the full-time faculty averages close to 20 years per teacher. All of the full-time faculty members have master's degrees, and almost 90 percent have earned doctorates.

Several members of the faculty are currently involved in writing books, material for Christian school textbooks, religious periodicals, and journals, such as Biblical Viewpoint.

VI. CAREER OPPORTUNITIES AND PLACEMENT

The School of Religion extension office will assist you in finding positions for Christian service. Pastors, camp directors, mission board directors, and other recruiters often visit the campus to find personnel for their ministries. Graduates can be found serving the Lord in a wide variety of fields--from teaching to working on the mission field.
