IV. FACILITIES, EQUIPMENT, AND OPPORTUNITIES

The extension program provides for the development of student leadership and experience in various types of Christian ministries, such as church visitation, jail services, retirement home ministries, youth work, and child evangelism.

Through the summer Practical Evangelism course, you will continue to receive guidance and practical experience in Christian service throughout the summer months. These courses carry two hours credit each summer, and you may take them wherever you may reside during the summer.

The summer provides valuable time and opportunity for students to minister and apply what they have learned. These opportunities include numerous camps (who recruit here) and summer mission teams.

Mission Prayer Band is a campus organization designed to stimulate missionary zeal and vision. Students gather four times weekly to systematically pray for the needs of the missionary cause around the world, and to hear speakers challenge them on mission themes. Four times per year there is a special Missions Spotlight program when a certain field and its needs are specifically in focus.

In the Ministry Resource Center you will find a Christian periodical and tape library, duplicating equipment, complete topical files, and a wide variety of audiovisual materials and equipment. This laboratory is maintained for your class and extension use.

Chapel is a central feature of Bob Jones University. This 35-minute service is held every morning, Monday through Thursday. These services are a source of great inspiration to students. Four days a week the Chapel message is brought by the President or by selected speakers. Each Friday the Chapel period is devoted to the meetings of various literary societies.

Davis Field House, with over 87,000 square feet and seating for 3,000 people, contains 4 full-sized courts; auxiliary courts; indoor and outdoor tracks; swimming pool; café; and a fitness center with fully-equipped exercise room, aerobic room, sauna, and whirlpool.

Completely equipped computer laboratories are available for your use. There are many academic computer labs on campus. They consist of various types of PCs, Apple PowerMacs, and laser printers and are all interconnected via a Novell computer network. These labs are conveniently located all over campus.

The Mack Library, with 90,000 square feet of floor space and seating for over 1,300 students, gives you access to 294,000 volumes, 1,100 current periodical subscriptions, and more than 17,000 music, speech, and language recordings. Mack Library offers access to over 65 electronic databases on the library web site. An interlibrary loan program is available through OCLC, a national database, for books not held in our library. Other prominent features include the Jerusalem Chamber, a replica of the room in Westminster Abbey in London in which work was done on the 1611 King James Bible, and the University Archives Room which displays materials about the Founder and history of the University.

If you are planning to live on campus, you will be glad to know that all of our residence halls are air-conditioned, have wall-to-wall carpeting, and have a phone in each room. You will be able to make long-distance calls directly from your room and have them automatically placed on your school bill. Computer network connectivity is available in all residence halls, as well.

All of our classrooms are air-conditioned, and there are awnings over the sidewalks to keep you dry when it is raining. The Dining Common serves 8,500 delicious meals a day, and the Snack Shop and Bookstore in the Student Center carry just about anything you'll need.

You will find the finest Christian young people in the country are your fellow students, and without trying too hard, you may end up making a life-long friend!

V. ABOUT THE FACULTY

All of our School of Religion faculty members have extensive preaching experience in local churches, and a majority of them have pastoral experience. Several are currently serving as pastors of small (and some not so small) churches on the weekends. They know the problems of local churches, and they are sympathetic to the needs of pastors and Christian workers.

The faculty of the School of Religion are highly qualified. The combined teaching experience of the full-time faculty averages close to 20 years per teacher. All of the full-time faculty members have master's degrees, and almost 90 percent have earned doctorates.

Several members of the faculty are currently involved in writing books, material for Christian school textbooks, religious periodicals, and journals, such as *Biblical Viewpoint*.

VI. CAREER OPPORTUNITIES AND PLACEMENT

The Office of Career Development and Placement is contacted by various recruiters for help in many kinds of ministries. You can register with the OCPD and they can assist you in finding a place where your skills can be put to good use.
