## Student Announcements

- Please check Lost and Found in the JH - there are many items in there!!! Items left in Early Stay in the mornings or Late Stay at the end of the school day are put in Lost and Found. There are jackets, sweaters, lunch boxes, books, umbrellas, notebooks, textbooks, pens and pencils!! Please help us clean it out before Thanksgiving break!! You may need that umbrella, coat or sweater during Thanksgiving Break or before!!!!
- Handbell students: Go DIRECTLY to the AAud for class today
- Attention 8th graders: If you had fewer than 16 checkmarks on the listening portion of the Music test, you may retake the listening part on Monday afternoon. The retest will be given at 3:00 and at 4:00 and you should plan to attend one of these times. This is the only time the retest will be given. You can bring your grade on that portion up to a minus 0, but you may not earn bonus points on the retake. You MUST bring your graded test with you or you won't be allowed to retake it!
- Attention students in 8-3: If you have Music Appreciation in the afternoon, you did not get your test returned to you yesterday. Please find Miss Graf and ask her for your test. She will probably not be around much today but she will be in the JH on Friday and she has your test.
- The JH library will be closed after school today. If you need to return a book or CD, or pay a fine, please do so in the JH office. If you have an emergency and need to check out a CD or book, please tell one of the ladies in the office and they will email Miss Tipton with your need. Miss Tipton will contact you directly to try to assist you.
- The Handbell Choirs and Chorus will present their Fall Concert this evening. If you attend the concert you must be in school dress and you must be with a parent.
