Professional Development Units offered:

The **Continuing Education Unit (CEU)** is a measurement that documents participation in non-academic credit continuing education programs. BJU offers two kinds of CEUs for these types of activities:

- **Standard CEU:** One standard CEU equals ten contact hours (50 to 60 minutes of instruction). When appropriate, a fractional part of a standard CEU may be awarded, but not less than 0.1 (1 hour equals .1 CEU). A transcript is available for standard CEUs. Most employers and licensing/accrediting bodies use the standard CEU definition. If you request a standard CEU transcript, a transcript of all of the BJU CEU activities in which you have participated will be sent.

- **ACSI CEU:** One Association of Christian Schools International (ACSI) CEU equals 6 to 11 contact hours. Only whole numbers may be awarded (e.g., 1, 2, 3, etc.). A certificate is available for ACSI certification. If you request an ACSI CEU, a certificate for only the course/activity that you indicate on the front of this form will be sent.

CPE: Continuing Professional Education (CPE) units are required for some types of licensing in the business professions, including Certified Public Accountants.

CE: Continuing Education (CE) units are required of those maintaining a license as a Certified Financial Planner.
