## ART & DESIGN

Participants may submit three works in the competition. Only one work may be submitted per category. Please note that participation in up to three categories — not including Extemporaneous Drawing — will count as only one festival contest entry.

**Two-dimensional** includes the categories of **Lettering** (pen and ink, brush and ink), **Drawing** (pencil, pen and ink, pastel), **Painting** (oil, acrylic), **Painting** (gouache, watercolor), **Printmaking** (linoleum, woodcut, collagraph, etching, dry point, serigraphy) and **Mixed Media** (combinations of media). All two-dimensional entries must be suitably matted and/or framed. Works on canvas must be framed, cradled or gallery-wrapped. All framed entries must have cable or wire with wire-style hanging hardware firmly attached to the back. All matted entries must have hook-side Velcro tabs attached to the back four corners. Please do not use sawtooth picture hangers, easel-backs or keyhole hanging systems. All works not under glass must be completely dry. Pastel and charcoal drawings must be thoroughly fixed. Entries not meeting all of these criteria may not be displayed.

**Three-dimensional** includes the categories of **Ceramics** (fired pottery), **Crafts** (felt, book arts, macramé, weaving, appliqué, basketry, batik, etc.) and **Sculpture** (clay, wood, stone, etc.). All three-dimensional entries must stand on their own or arrive with suitable installation hardware (in the case of a wall hanging). The exhibition venue will not provide installation hardware for the display of the entry. Sculpture entries should have adequate bases if necessary. Entries not meeting all of these criteria may not be displayed.

The **Photography** entry must be a single, original, color or black-and-white photograph. A photo essay (a series of pictures to tell a story) is not allowed. Minimum size must be 5 × 7. If it is not immediately obvious, please indicate “top” and “bottom” on the back of the photo. The photo should be printed on photo-grade paper, not regular copy paper. The surface may be glossy, matte, satin or luster finish. No commercial clip art may be used in the photograph. The piece should be mounted and may be matted but should not be framed. All photography entries must have hook-side Velcro tabs attached to the back four corners. Entries not meeting all of these criteria may not be displayed.

The **Extemporaneous Drawing Contest** will be held in the Sargent Art Building (Room 24) at the times listed in the festival schedule. Please sign up for a competition time when registering art entries. Participants will have 45 minutes to draw an arrangement of objects. Technique, personal interpretation and composition are more important than a complete drawing. Pencil, paper and other materials will be supplied. Please note that the Extemporaneous Drawing Contest may be entered in addition to a participant’s maximum of three art entries.

## VIDEO

The project must have a running time of 3–7 minutes (including credits) and must be submitted in either .mov or .mp4 formats on a DVD or thumb drive. (Media will not be returned.) If you elect to submit your video in a DVD format, please check your DVD on several different DVD players. Sometimes a DVD burned on an individual computer will not play on any other device. A DVD that will not play on our equipment will not be eligible for the competition. All elements contained in the video must be free of copyright issues. Please provide proof of ownership in the ending credits of your film, including but not limited to music, photographs and ideas.

The name of the student and their school, the name of the director, a list of crew members and their positions, and a list of the equipment that was used (cameras, editing software and any other software used in production) must be included. The director is the one eligible for award. The film may focus on any subject as long as content is suitable for a general Christian venue. Final decisions about content will be made by the judges. We include narrative, animation and documentaries in the same competition. Tell your visual story with a good beginning, a middle that develops the ideas, and then a powerful ending.
